# SAN DIEGUITO HIGH SCHOOL

**1980-1981**

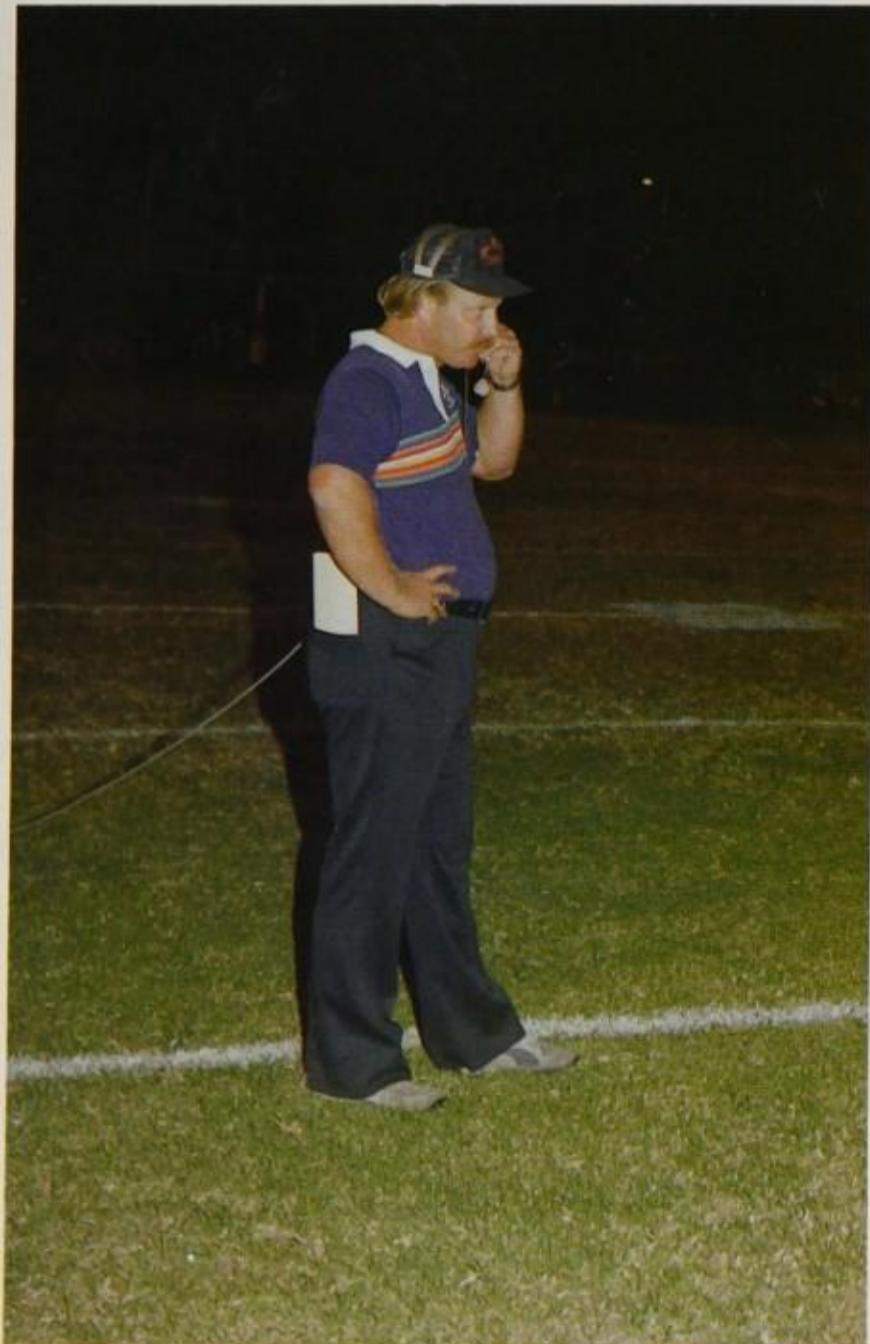

Lisa,

Have a fantastic summer; be like me. I'm so laid back I hafta stand up to get into bed. Although I've barely met you, I can perceive you are an intelligent, sympathetic, and beautiful young lady. It is with great anticipation that I wait to see you next year. Excelsior!

Peter Kral

Have a great summer! You look like you're gonna be a real star! I hope you stay together for two more years. Good luck next year and I'll see you with Brett! Have a great summer!

# DEDICATION

No matter if it is on the football field, helping cheerleaders with a problem, or temporarily taking care of the A.S.B., Craig Bell has shown an enormous amount of dedication to the students of San Dieguito High School.

Coach Bell came to San Dieguito four years ago as an Athletic Director, and Head Football Coach. He has since taken on the jobs of Independent Study Coordinator, Cheerleading Advisor, and he temporarily took charge of the A.S.B. Executive Council before they obtained their own advisor.

Coach Bell is probably more well known for his work with the football team. He has led the Mustangs to two League Titles (something which hasn't been done for 18 years) and has also improved the entire athletic department at San Dieguito.

This years dedication is going to Coach Craig Bell, whose dedication to the students of San Dieguito is unsurpassed!

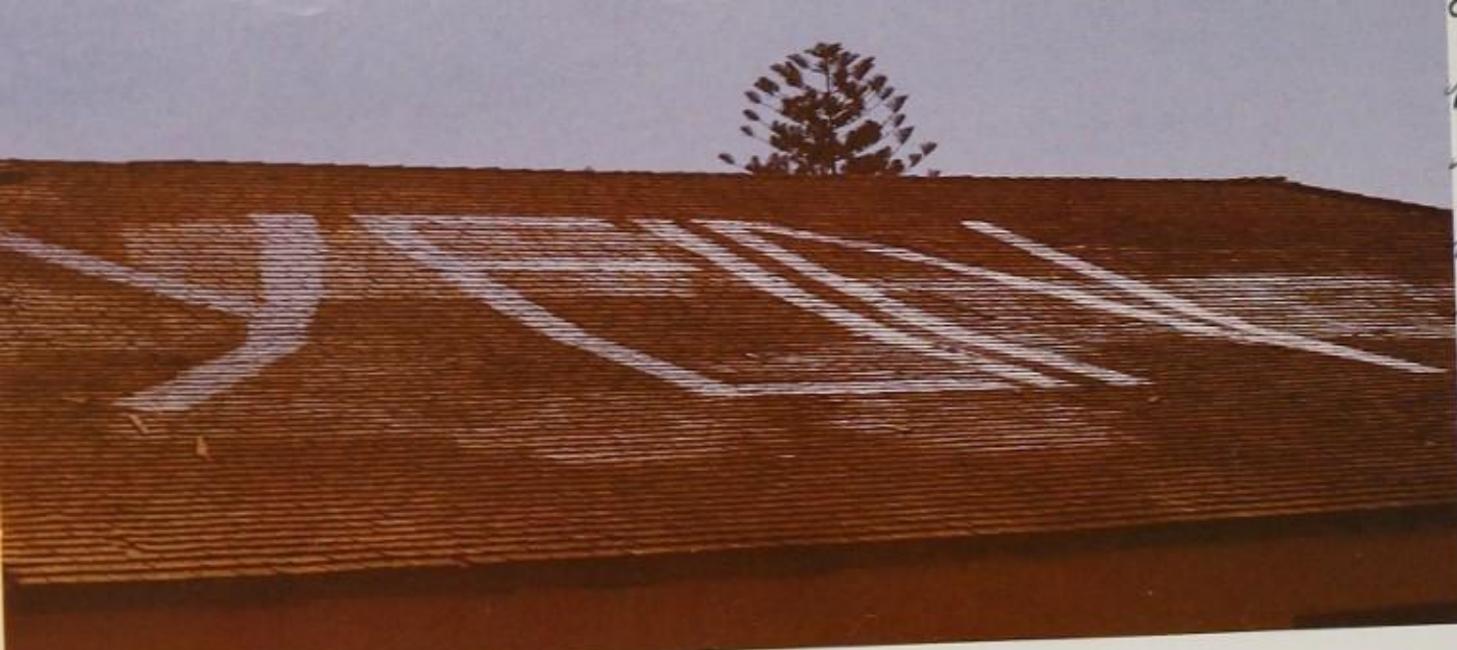

**The 80's have arrived. New ideas, new music, new attitudes. Although the same "growing pains" can be seen in most high school students, it looks as though "The New Wave of the 80's" has broken upon us.**

## 1980 HOMECOMING

This year, "Homecoming" lasted a full week although the real excitement began Friday morning with the Homecoming Assembly in the gym. The scheduled attraction, Mark Weinzel, a nationally known mime, was upstaged by the San Dieguito mascot who stole the show with the traditional unveiling of the "run-through-sign."

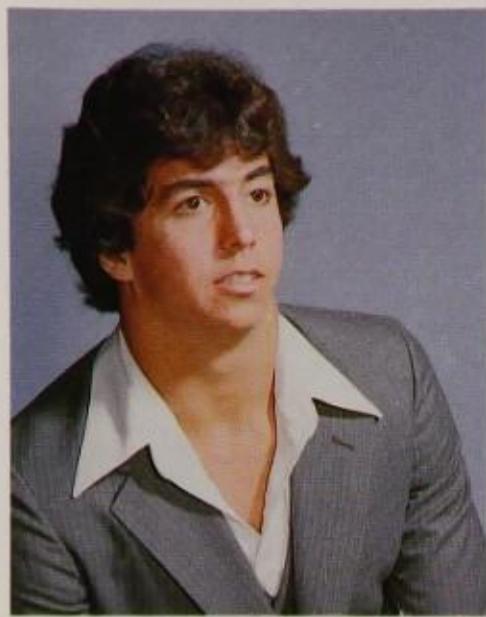

Halftime during the game brought the homecoming floats, underclass princesses and the homecoming court. The crowd grew silent in anticipation of the coronation of this year's King and Queen. When the announcement came over the loudspeaker that Susie Fleming was selected queen and Kevin Reece was chosen king the crowd went wild. A fantastic fireworks display followed with Kevin and Susie's names written with sparklers, again giving the crowd reason to cheer.

# 1980-1981 CHEERLEADERS

The cheerleaders broke into the San Dieguito scene with a freshness that added excitement to the cheering events. The spirited cheerleaders urged the Mustangs to move on and fight harder in football, basketball and other sports.

The accumulation of countless hours of hard work at practices was rewarded by great performances. Their outstanding routines at athletic events and school functions were really appreciated by all.

1. Left to Right: Michele Mowrey, Jill Engler, Chrissy Moniak, JoAnn Thornton, Socorro Sanchez, Nancy Nelson, Vicki Snyker, Susie Fleming (Varsity Head), Kelley Burgess, Ruth Allen, Susan Bernotas (mascot) and Anne Bendrick (mascot).

2. Another Flawless formation.

3. Socorro and the mascot strutting their stuff.

4. A winning pose from the San Dieguito School of Modeling: Jill Engler, Ruth Allen, Susie Fleming.

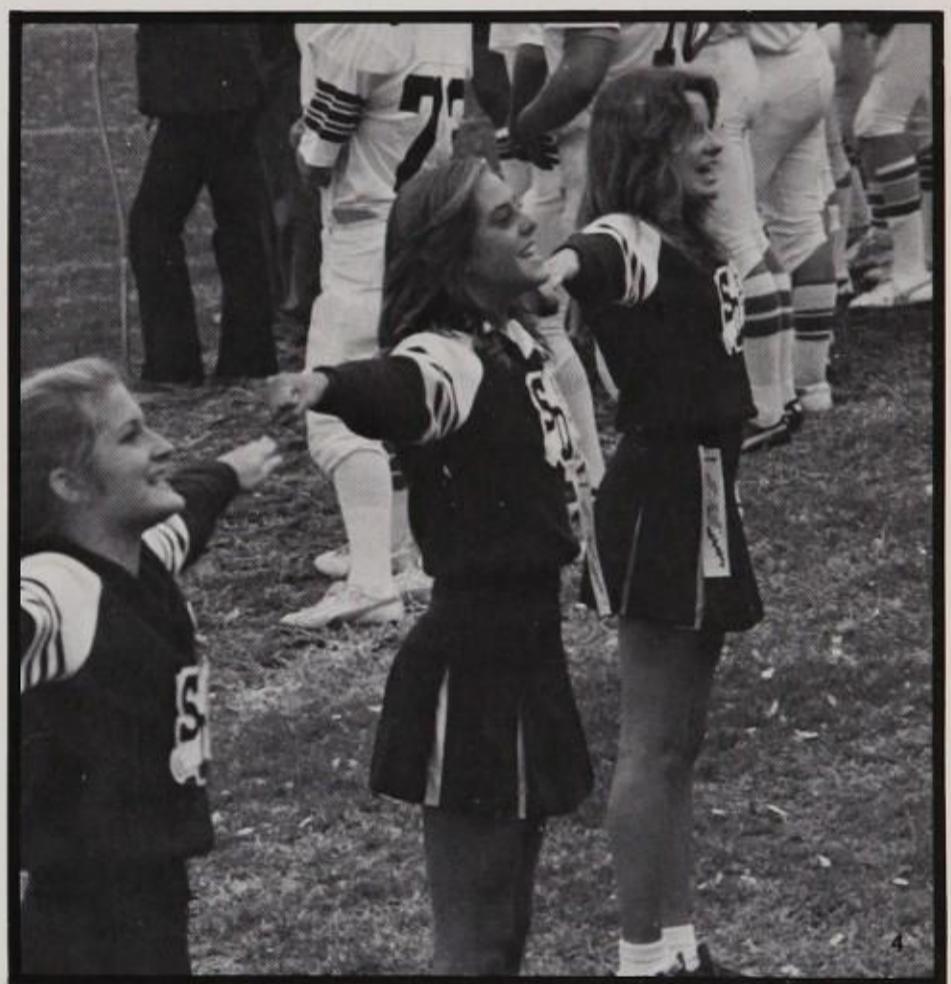

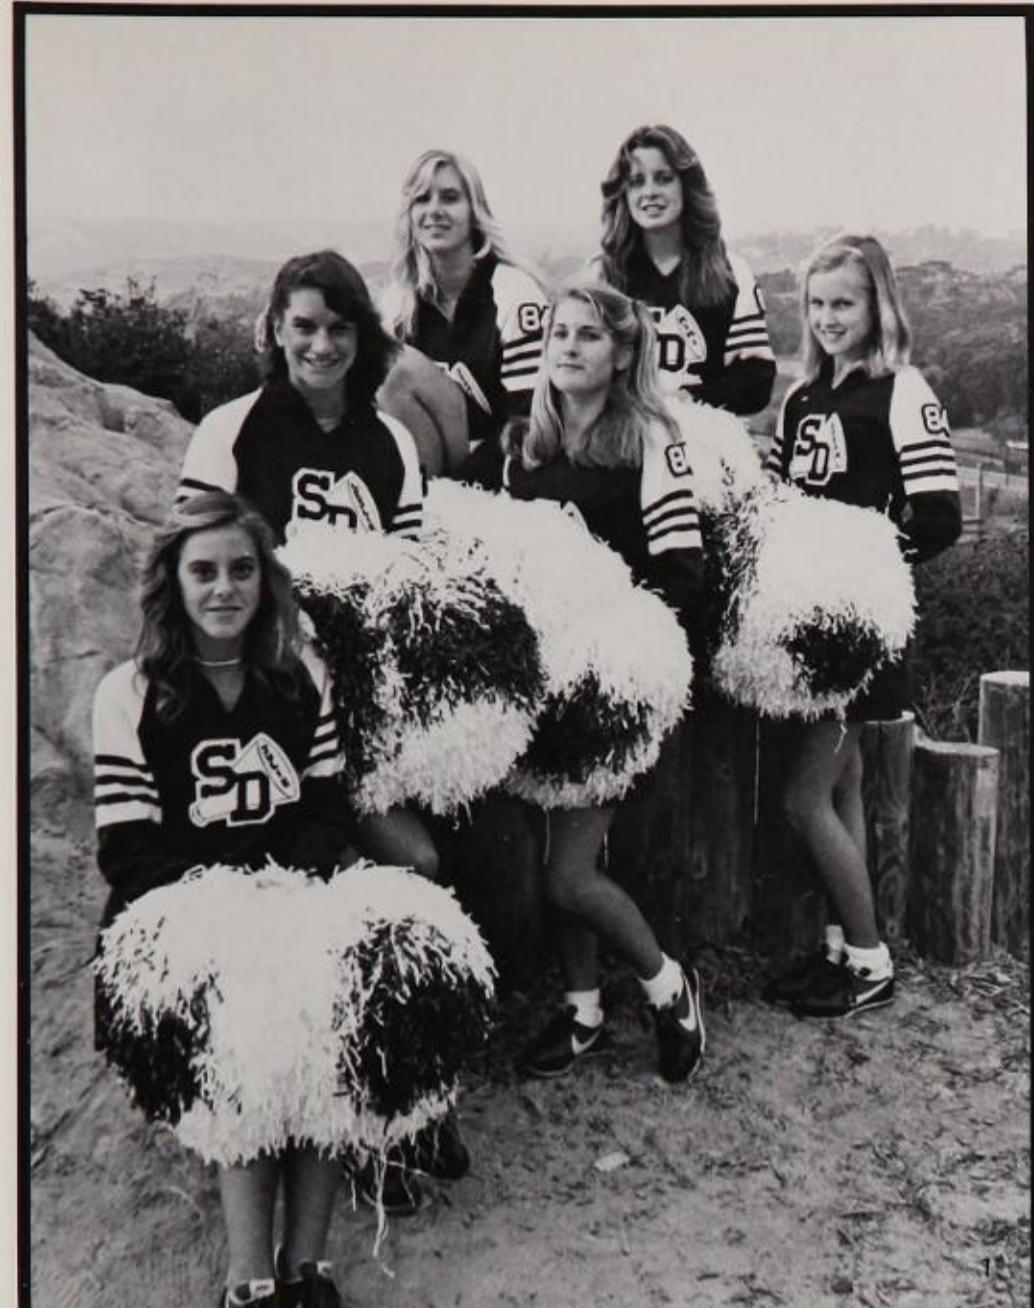

## VARSITY CHEERLEADERS

# JV CHEERLEADERS

The Junior Varsity cheerleaders spent many hours preparing for their Friday afternoon debutes. This year the squad expanded to eight members and brought more enthusiasm and spirit to our school than before. Their precise routines and participation at school activities brought pep to San Dieguito.

1. Curley, Moe, and Larry up to their usual antics!
2. Wendi Seymour showing her spirit.
3. Cindy Ruskin making her moves.
4. Left to Right: Cindy Ruskin, Judy Janda, Wendi Seymour, Tina Fatseas, Danna Brock (JV HEAD), Joan Bendrick, Robi Koch, and Lauri McCullough.

The Freshman Cheerleaders with their bright smiles cheered the Freshman Broncos to move on and fight harder in all of this years sports. Their dedication to San Dieguito was truely appreciated by all of the student body. We hope to see them cheering in future years.

**1. Left to Right: Michele Pomeia, Mimi Bess, Leslie Kulchin, Marilyn Young, Susan Dieball (Frosh Head), Julie Master.**

**2. Robin Hood looking for her "Merry Men".**

**3. Freshman cheerleaders in their winning attire.**

# PEP ASSEMBLIES

Every Friday a crowd would gather at either the amphitheater or in front of the gym and another pep assembly would begin. As always, the Pep Squad dreamed up a hundred and one things to do. From hairy legs to lap-sitting, there was a contest for everyone and all the classes joined in and showed their school spirit. The cheerleaders choreographed dances to such popular songs as "Whip It" and "Fame," and the band was always there to back them up. Early this year the P.A. system was stolen and this caused some problems, but overall the pep rallies gave a positive outlook for Fridays and the whole week.

1. James Lopez and Greg Sweet. "James your hair is so soft!"
2. Are you sure they're bobbing for oranges?
3. The famous Mustang Band.
4. Ruth Allen, getting into it!
5. We're number 1!
6. "Seniors We Rule!"
7. Poor Freshman.
8. "You can't peak!"

## PEP ASSEMBLIES

# AFTER GAME DANCES

After game dances more often than not hoards of students rocking and punking throughout the night to sounds of many different bands. The football teams contributed to this awesome spirit. The A.S.B. chose This Kids; The Spys; Presence; Incognito; and Zedekiah, to play. Teachers were chaperones and administrators were always there to help out. The A.S.B. did a fine job organizing these dances!

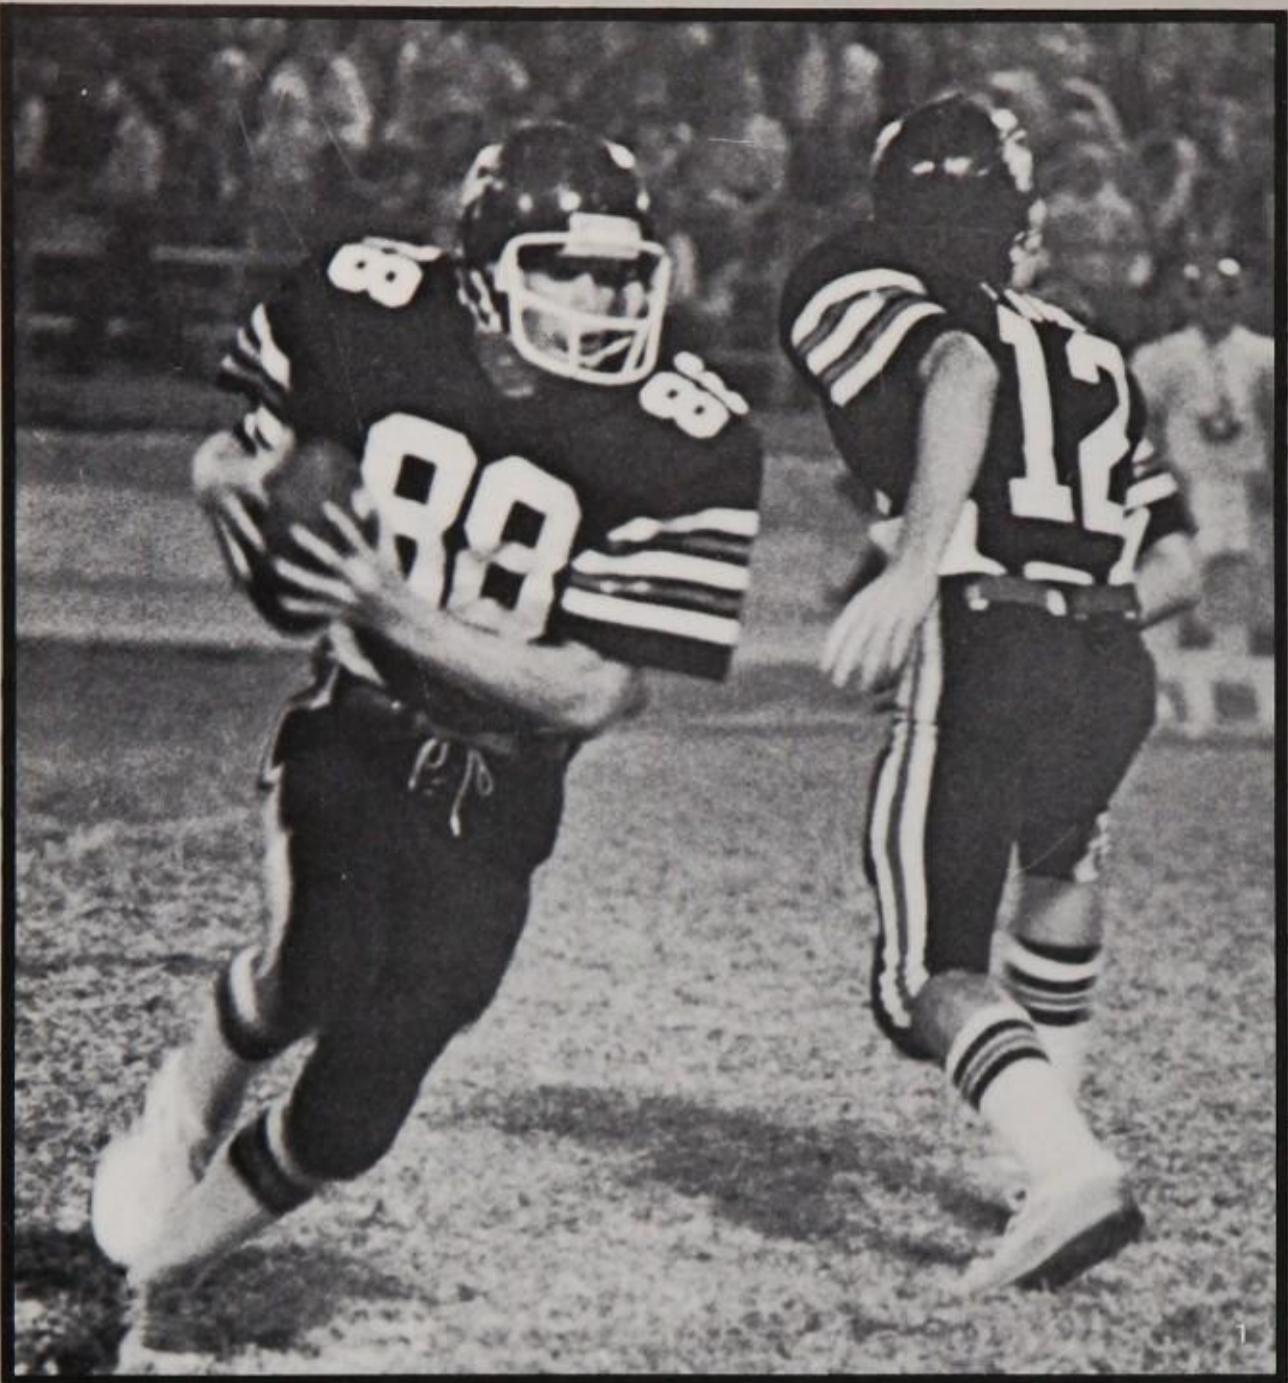

1. Shelley Effinger poses for the camera.
2. Chris Smith and David Rife dancing to "If You Want My Body."
3. "Who me?"
4. Susie Fleming and Scott Boop sing and dance to the music of This Kids.

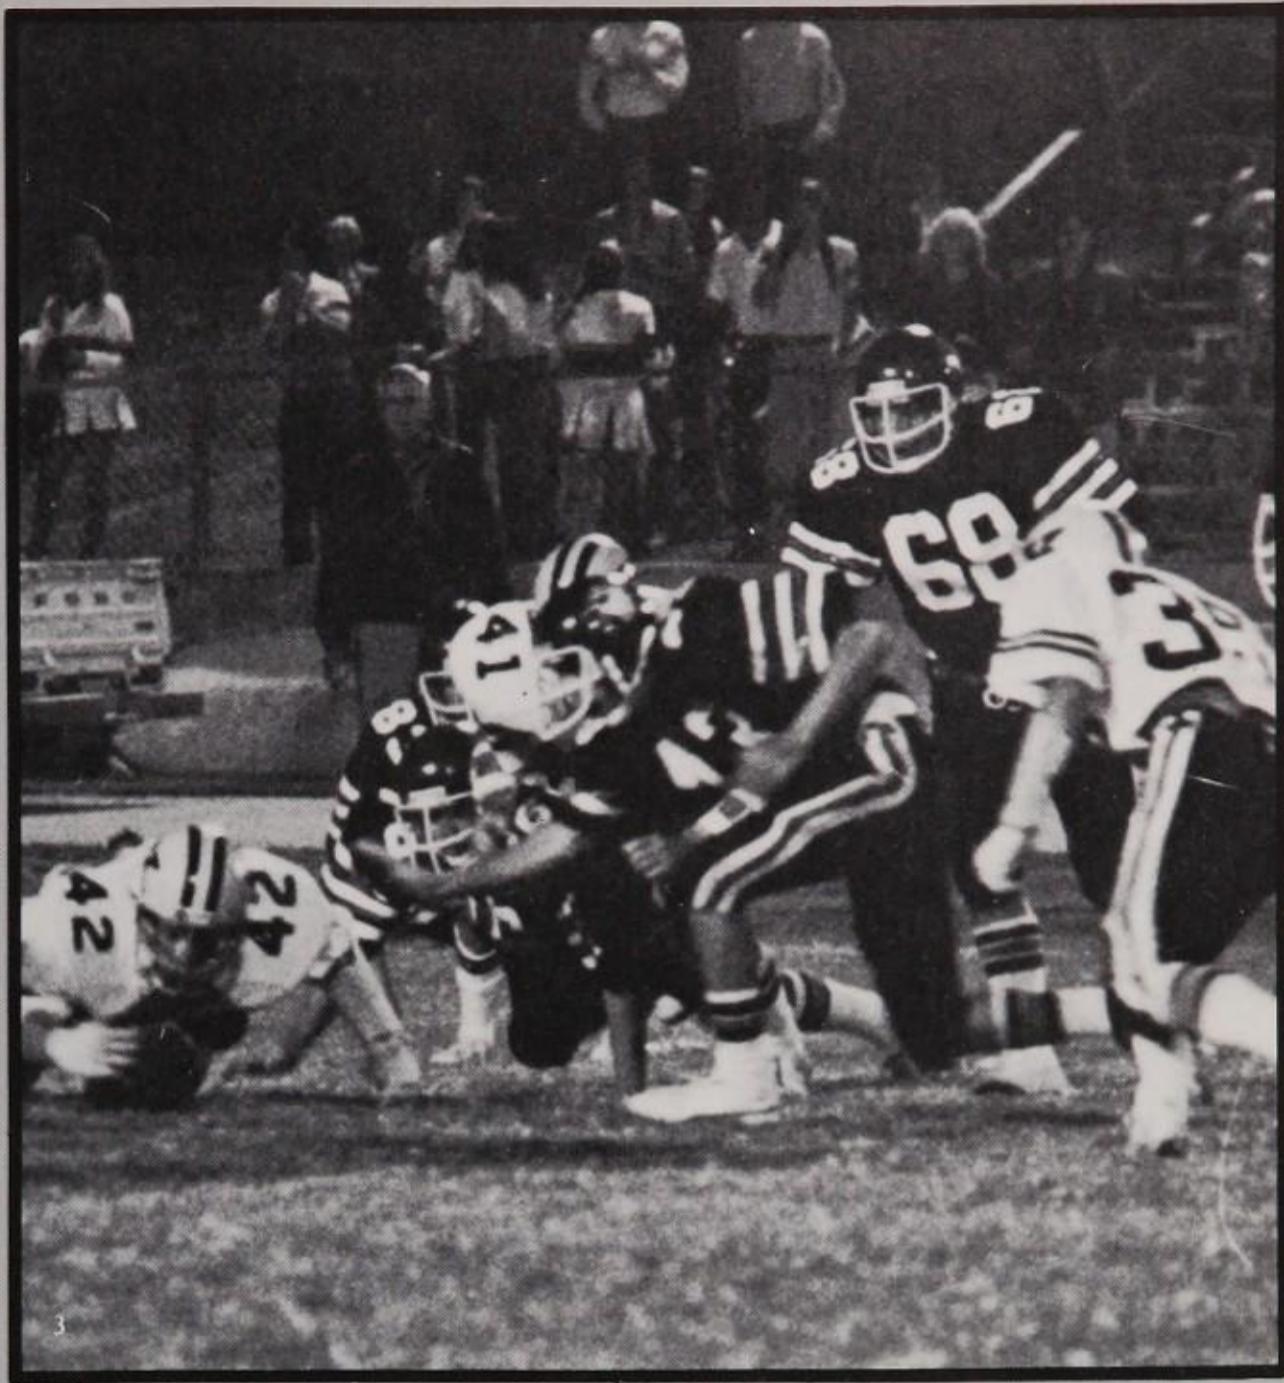

The crowd contributed to the spirit and the enthusiasm that was present at all the football games. Pep Club and other groups in the stands made confetti, and waved their blue and white pom poms, supporting their favorite high school football team. The Mighty Mustangs!!!

1. "I'll protect you Mimi!"
2. "YEIN!"
3. Mustangs are #1!
4. "Is he hurt?"
5. Everyones attention doesn't always go to the game.

The San Dieguito Varsity football team finished with a 3-6 record for the season, but if a record was kept to show the amount of effort that each individual who made up the team put out, the results would be 100%. There were superb performances by quarterback Shane Lamb, a junior, and Andy Swenson who replaced him when he was injured. The backfield also very young, was supported by Mark Gordon, Mike Rowden and Rick Christiansen while the receiving was taken excellent care of by Kevin Reece, John Cope and John Bromstad. Combined with the solid Mustang offensive line, the San Dieguito offense proved to be quite formidable in spite of its inexperience.

A tragic blow to the Mustang defensive unit was the injury of outstanding defensive linesman, Keith Kartz. Kartz was hurt during practice only a few weeks before the season started. And though he was forced to miss the entire season, his past performances will certainly earn him a place in football for the future.

Though the defense lacked Kartz, they made up for his absence with strong performances by Clay Jarvis, David Cox and Tim Wilde. The entire defensive squad showed great improvement over the season and was the strongest part of the Varsity team.

Once again, Head Coach Craig Bell succeeded in teaching the finer points of football to his team. His efforts were no less than the team's. The entire school would like to thank Coach Bell and the Mustangs for their outstanding achievements in the sport of high school football!!!

J.V. Football at midseason was 2-3-1. Beating San Marcos and San Diego the team got off to a good start, but then losing to Torrey Pines, Orange Glen and Vista and tying with Mount Carmel. Coached by Stan Gida, the team has a lot of players looking forward to move up to varsity next year. Outstanding players such as running back Mike Laforest and quarterback Wade Walswick were great on offense. Defensive captain Dave Thorpe stood out on defense. Good Luck next year!!

## J.V. FOOTBALL

# FRESHMAN FOOTBALL

The San Dieguito freshman football team, the Broncos, began its season with a bright outlook. With quarterback Chris Sutherland calling the shots and hitting his principle receivers Scott Brown and Frank Romero. The offensive attack was well balanced with running backs such as Tino Mannira and Jim Hurley. And the defense, they looked tough!! With linebackers Jim Hurley, David Griffin and Glenn Farr the opposing team was always hard put to run the ball. But don't think that taking to the air will beat this team. The fearsome Bronco pass rush and defensive backs Greg Cooper and Bob Rhatigan will soon put an end to that thought.

All in all the Broncos have a well balanced team, excellent discipline, and the kind determination rarely found in freshman competition. Head coach Ed Wiley encapsulated it all with the simple statement, "They're all great".

1. From left to right, back row: Brad Debow, Kris Payne, Brian Jarvis, James Rowan, Chris Sutherland, Ralph Borrelli, Brian Carpenter, Tim Patton, David Griffin, Jim Miller, 4th row: Head coach Ed Wiley, Matt Mason, Paul Ratasak, Greg Cooper, Todd Price, Bill Minshew, Kris Moore, Brian Pratt, Scott Johnson, Chris Batchelor, coach Cox, 3rd row: coach Calen, Mark Theriot, David Charos, Luther Thompson, Chad Lawoon, Jeff Hughes, Tino Mannira, Scott Brown, Brian Story, Bob Rhatigan, Scott Petraglia, coach Yoshida, 2nd row: Jim Simpson, Chris Pizzoferrato, Frank Romero, Gary Thomas, Colin Embry, Bob Wabzlewski, Troy Goodall, Jim Hurley, Keith Gufstafson, Sergio Guerrero, David Milligan, Front row: Phil Hernon, Luther Thompson, Glenn Farr, Pat Casinelli, Hab Beard, Scott Campion, Ed Fernandez, Scott Jensen, John Faddis, Dane Matheson. 2. Greg Waite rushes the ball for the Broncos. 3. The Bronco defense strikes again. 4. QB Chris Sutherland releases the ball as the defense prepares to unload on him.

Even though the swim team didn't have a pool to hold home meets, they did an excellent job. With outstanding performances by Patty Richards and Nancy Nelson. Coach Eddie Yasana was extremely proud of them, he stressed team spirit, unity and competitiveness.

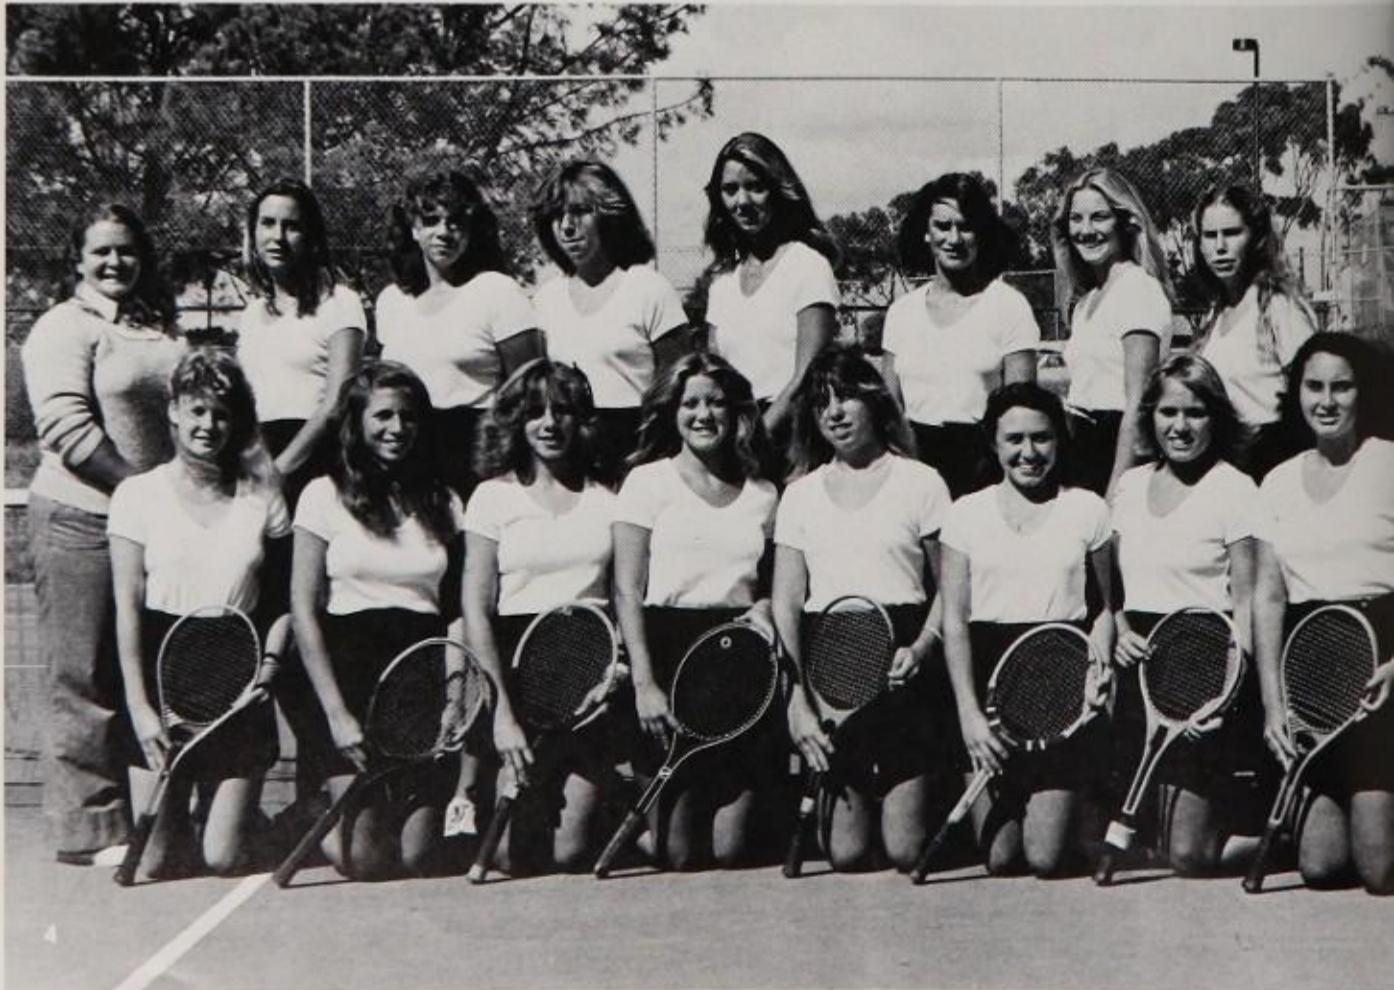

THE TEAM. 2. The girls take a break. 3. A little swimmer cuts cleanly through the water.

## GIRLS SWIMMING

# GIRLS VARSITY TENNIS

The girls Varsity tennis team this year was one of experience and enthusiasm. That meant that returning Varsity racketeers Lori Swaim, Lori Jenner and the three Gaultieri sisters had experience, and all the rest made up for it with enthusiasm. Coach Peggy Gill was extremely proud of her team, in which every girl tried her hardest to the last point of every game, the last game of every set, and the last set of every match. They had a fine season, but regardless of the outcome, everyone did their best.

1. Lori Jenner takes a healthy swing. 2. Another Lori (Swaim) sends the ball. 3. Toni Gaultieri returns a volley from behind the baseline. 4. Back row: Coach Peggy Gil, Kris Smith, Serena Gaultieri, Lori Swaim, Ruth Taschler, Leslie Kulchin, Tami Turner, Lori Jenner. Front row: Torrey Springer, Toni Gaultieri, Lisa Gaultieri, Sharon Taylor, Kelly Swaim, Sara Freedman, Lisa Hornberger, Michelle Imptage.

3

Although the greater part of the team was newcomers, coach Cindy Crom was hopeful of building a strong team. And though they lost their first few matches, they learned invaluable lessons through applying the skills they learned to actual games. When the circumstances looked bleak, these girls kept on volleying. To sum up the season, the girls did all that anyone could expect of them and much more. The outlook for next years team is very hopeful.

1. Back row: Coach Cindy Crom, Wendy, Stephanie Sheppard, Monica St. Marie, Bonnie Castro, Adrian Sullivan, Juliana Castro, Jackie Meyer. Front row: Hitomi Fujimoto, Stephanie Keefer, Kelly Abrams, Laura Romero, Diane Taylor, Patty Moniak, Lisa Youngquist, Lisa Undraitis. 2. The girls go for some doubles action. 3. Adrian Sullivan displays her winning form.

# BOYS VARSITY CROSS COUNTRY

Coach Mike Davis could not ask for more than the teams that he had this year. Led by John St. Marie, an outstanding returning member of last years squad, followed closely by Rich Kritzer and Doug Vaughn, the team compiled victory upon victory! Steve Ferguson, Pat Rea and Todd Tibbets both finished strongly in every race, proving that San Dieguito had more than its share of fine athletes. Consequently, with every runner striving for his own personal perfection, the boys Varsity Cross Country team reached the highest goal of any high school sport.

1. John St. Marie passes a Fallbrook runner en route to victory. 2. Members of the Varsity team: Shawn Gills, Steve Ferguson, John St. Marie, Rusty Oettinger, Richie Kritzer, Pat Rea, Doug Vaughn and Coach Mike Davis. Not pictured was Todd A. Tibbets. 3. Doug Vaughn finishes strongly. 4. Pat Rea striving hard during the last leg of the race.

Cross Country coach Mike Davis was extremely lucky this year to have such excellent runners as Valerie Schwan, Maureen Compas, Linda Wayman and Julie Hawkes. With being backed up by Melanie Domres, a basketball player, the team seemed to have a bright future, with a possible league win. Tragically, Maureen broke her foot early in the season, hindering the team's performance. The runners did very well individually, and did place well in the league competition. The distance team for track was formed by this tight band of runners.

1. Linda Wayman passes the finish line with a flourish. 2. Julie Hawkes demonstrates her incredible stamina while racing up one of the home track's famous hills. 3. The girls and their coach: Linda Wayman, Valerie Schwan, Becky Carrol, Melanie Domres, Julie Hawkes and Coach Mike Davis. 4. Valerie doing her thing.

## GIRLS VARSITY CROSS COUNTRY

# J.V. CROSS COUNTRY

The San Dieguito Junior Varsity Cross Country team did well this year. Under the supervision of Coach Mike Davis the team excelled and gained confidence in themselves. They will certainly help form a strong varsity team in the years ahead.

1. The J.V. Cross Country team: Monica West, Scott Bernotas, David Ramy, Jim Aron and Coach Mike Davis. 2. Monica West leaves the rival runners far behind. 3. Scott Bernotas shows his "true grit" as he battles up a hill. 4. Sometimes you feel you're all alone.

The San Dieguito Volleyball team coached this year by Joanna Helm, did an outstanding job. Kathy Luedeke and Diane Bagg are just a few of the players who stood out. Starting out slowly at the beginning of the season, they proved to be one of the better teams in the league. Good luck next year!!!

1. The team: Kim Klein, Kathy Luedeke, Cindy Norling, Diane Bagg, Mary Campbell, Gretchen Winner, Sandy Tugwell, Katrina Weston and Coach Joanna Helm. 2. Katrina and Mary defend Mustangs side of the court. 3. Sandy Tugwell prepares to serve the ball. 4. Mary Campbell returns a volley while Diane and Kim look on.

## VARSITY VOLLEYBALL

# J.V. VOLLEYBALL

The girls J.V. Volleyball team, under the supervision of Candy McCarthy, began the season this year with ability and confidence. Although every girl had at least one great game, Gretchen DeWeese and Kim Jenkins were two very consistent players. The team had a fine season typified by team spirit, determination and aggressive competition.

1. Rebecca Richards, Natalie Powell, Coach Candy McCarthy, Gretchen DeWeese, Shelly Reynaga, Andrea Cozakos, Patty Plumbley, Christine Peterson, Kelly Guth and Kim Jenkins. 2. Patty Plumbley executes an overhead return. 3. Shelly Reynaga and Andrea Cozakos await the arrival of the ball. 4. The team during a strategy session.

# WINTER

Dear Lisa,

I always find it hard to sign these things. I soon a t store at a blank page w/ a pen in my hand I freeze up. Oh well, such is stage fright. I really glad we met, it made the year worthwhile. I think you're beautiful, sweet, witty, (don't let this go to your head), considerate and caring. This might sound like a mutual admiration society but I mean it (and more.). I hope you'll like me in the time to come 'cause I'll always be entranced with you. (Pardon any misspelling.) I hope you have a terrific future. I'm sure I'll see you. Yours earnestly forever,

 Brent

# TALENT SHOW

Every year the talent show is one of the students favorite assemblies. For a change, this entertaining show was turned into a contest. 1st prize was worth \$100.00, 2nd was worth \$50.00, and 3rd was \$25.00. The 1st place winners were Andy Kaytes, Eric Monzeglio, and Guy Monzeglio performing Karate. 2nd was Shelley Jacobs doing a baton act. 3rd was Hannes Kling jamming on his keyboard and singing "Oh! Darling," almost exactly like the Beatles! There were other acts such as lip synches, singers and modern dancers. They all did an outstanding job and each deserved a prize, but unfortunately the budget wouldn't allow it. Congratulations to each of the participants!

1. Shelley Jacobs - "Hangs On" as her performance places 2nd. 2. Becky Pimentel sings a melody she composed herself. 3. "The Winners!" Demonstrating their excellent coordination.

The ski trip consists of approximately 45 people. Their first big ski trip was to Utah. Most said they had a "good time." Skiing has become a very popular sport in California, especially during Christmas time. Although this year wasn't supposed to be the best for skiing, most everyone seemed to take advantage of the snow despite the handicap. If you've never skied before, make sure you try it next winter!

1. Mr. Age and friend. 2. Jim Lavery . . . STYLE ALL THE WAY! 3. Joey Bromstad and Rick Christiansen . . . ZONKED OUT!

# 1981 A.S.B. CONVENTION

The 1981 Nominating Convention was not the convention it has been for the past several years. There was no nominating during this years convention due to the lack of candidates vying for each office.

The convention did not involve half as many people in 1981 as it has in years previous because of the elimination of delegates. The convention was cut down in time length also. In prior years the activities of the day ran from 8 a.m. until 2 p.m. This year it was shortened to a 45 minute assembly featuring the Presidential and Vice-Presidential Debates.

Even without the excitement of the many candidates running for the few positions, the competition between the candidates was just as fierce.

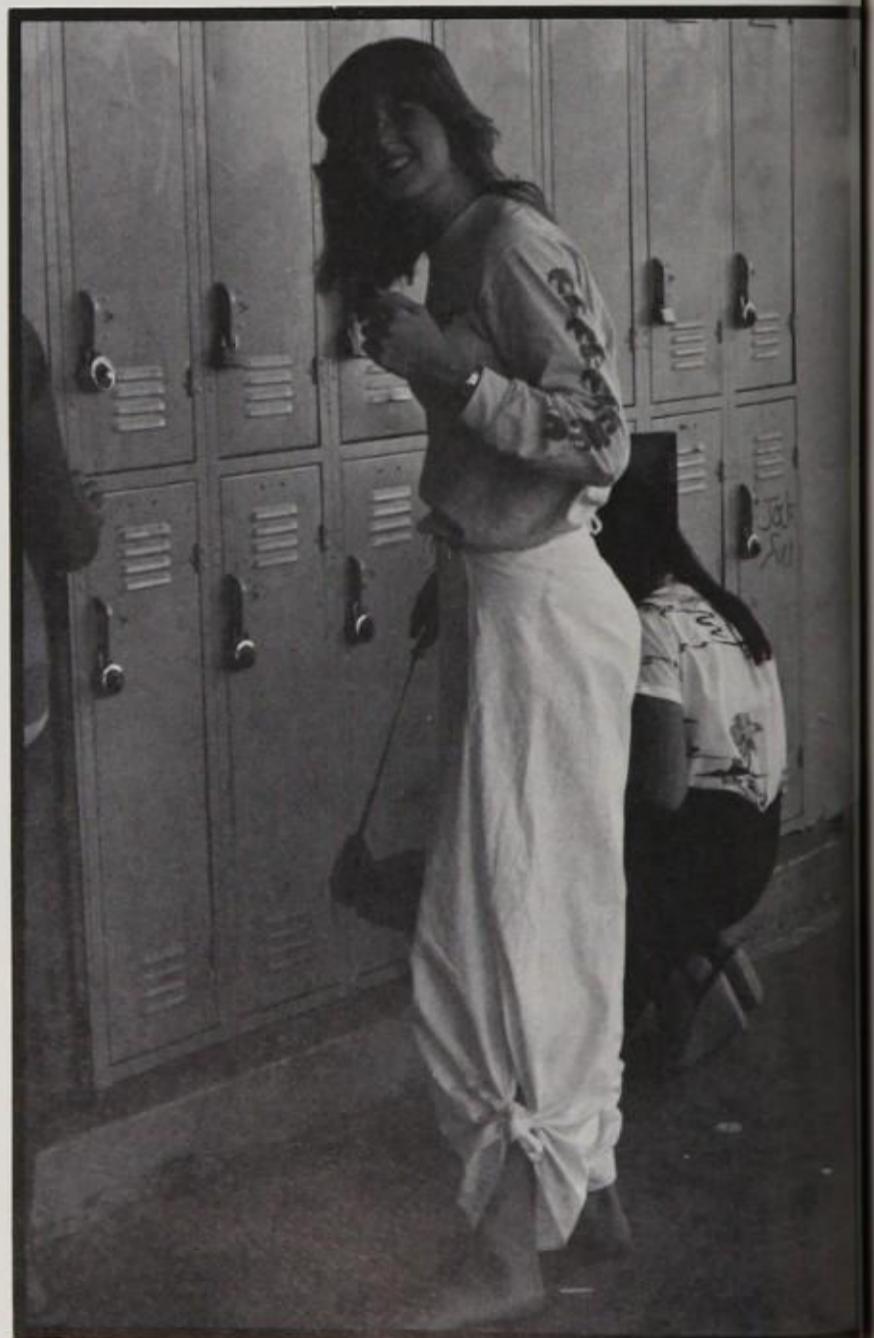

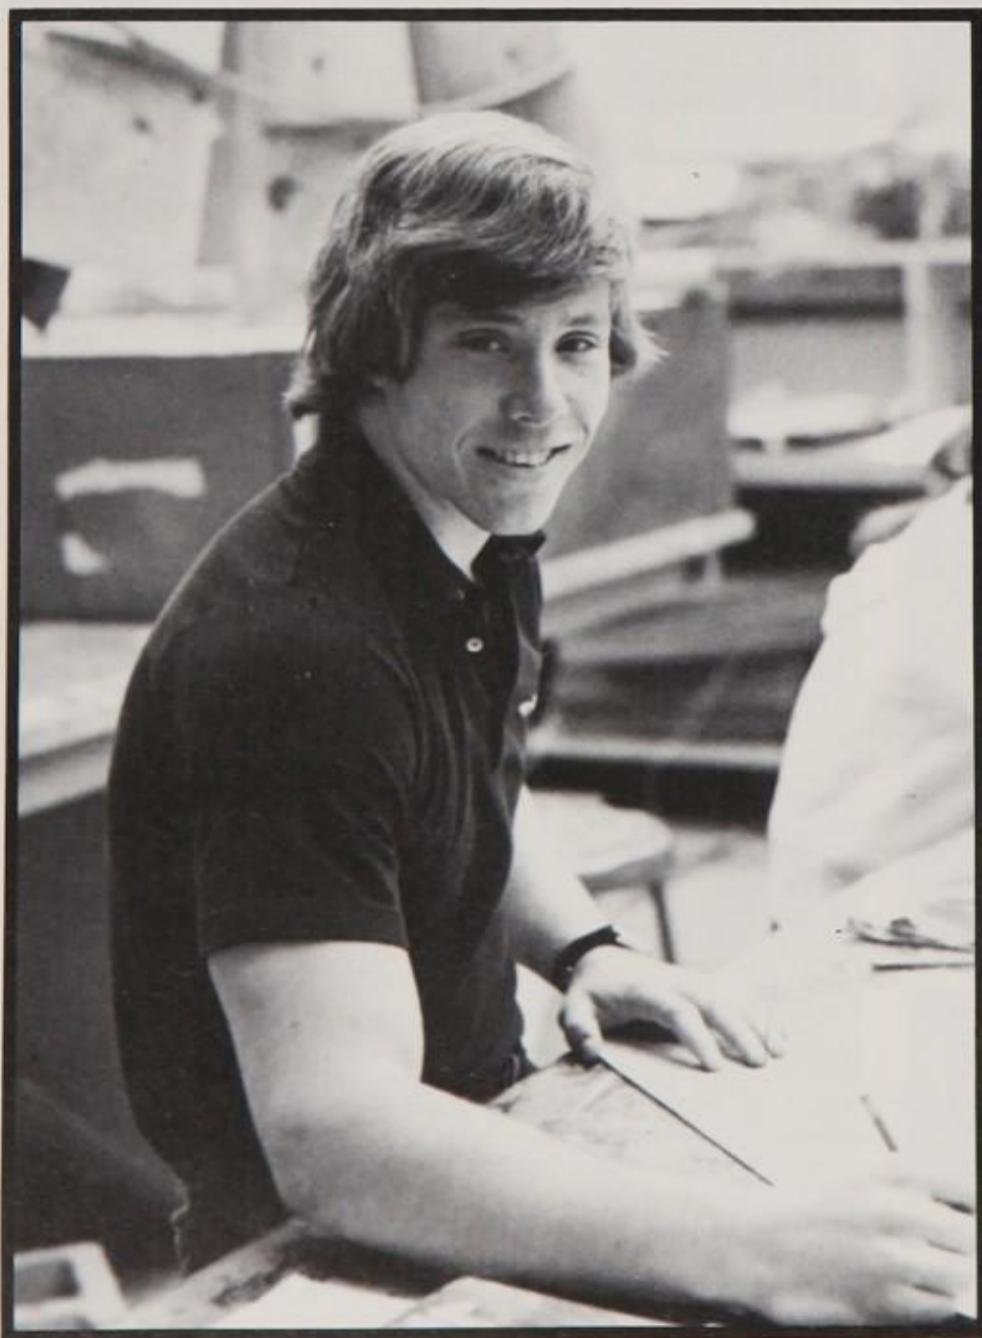

The winners of the final election held on Tuesday January 20th are as follows; President Tim Pappas, Vice-President Chrissy Moniak, Secretary Lisa Mathis, Treasurer Debbie Sumison, Commissioner of Athletics Rudy Loera, Commissioner of Assemblies Michele Mowery, Commissioner of Publicity Jackie Saito, Commissioner of Social Climate (School Spirit) Laurie McCullough, School Board Representative Gretchen DeWeese.

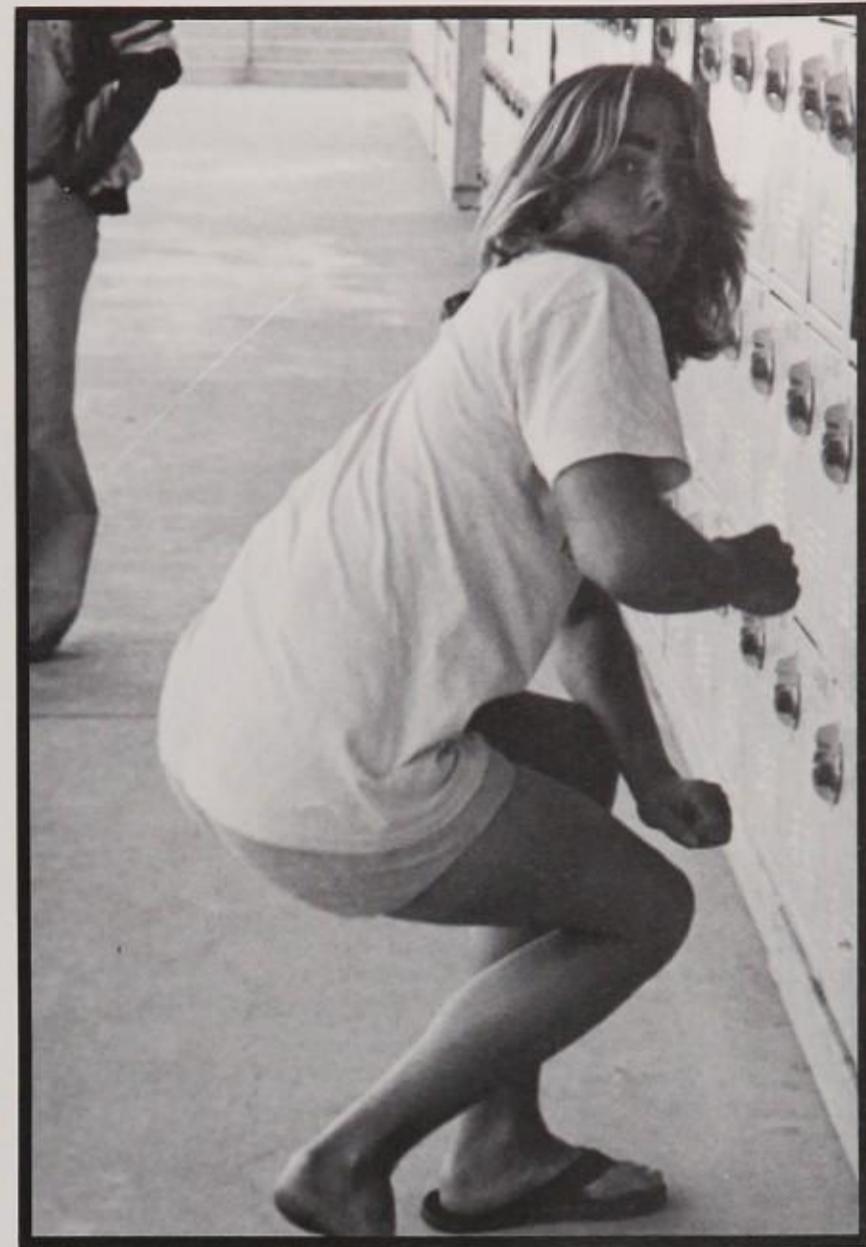

1. Patti's comment shocks Tim, as ex-President Mike Milligan looks on with an expression typical of glee. 2. All the little elves are busy in Patti's workshop. 3. Friendly enemies Rudy and Linda take a break from disagreeing with each other over campaign promises. 4. As usual, the convention was an example of orderliness and calm, rational campaigning. 5. Chrissy Moniak rattles off another answer, showing dedication and intelligence which one her the election. 6. "... and I promise to work for more rights for short people ..." 7. Three stooges attempting to look tough. 8. Tim and Chris taste the sweet success of VICTORY!

# CAMPUS CANDIDS

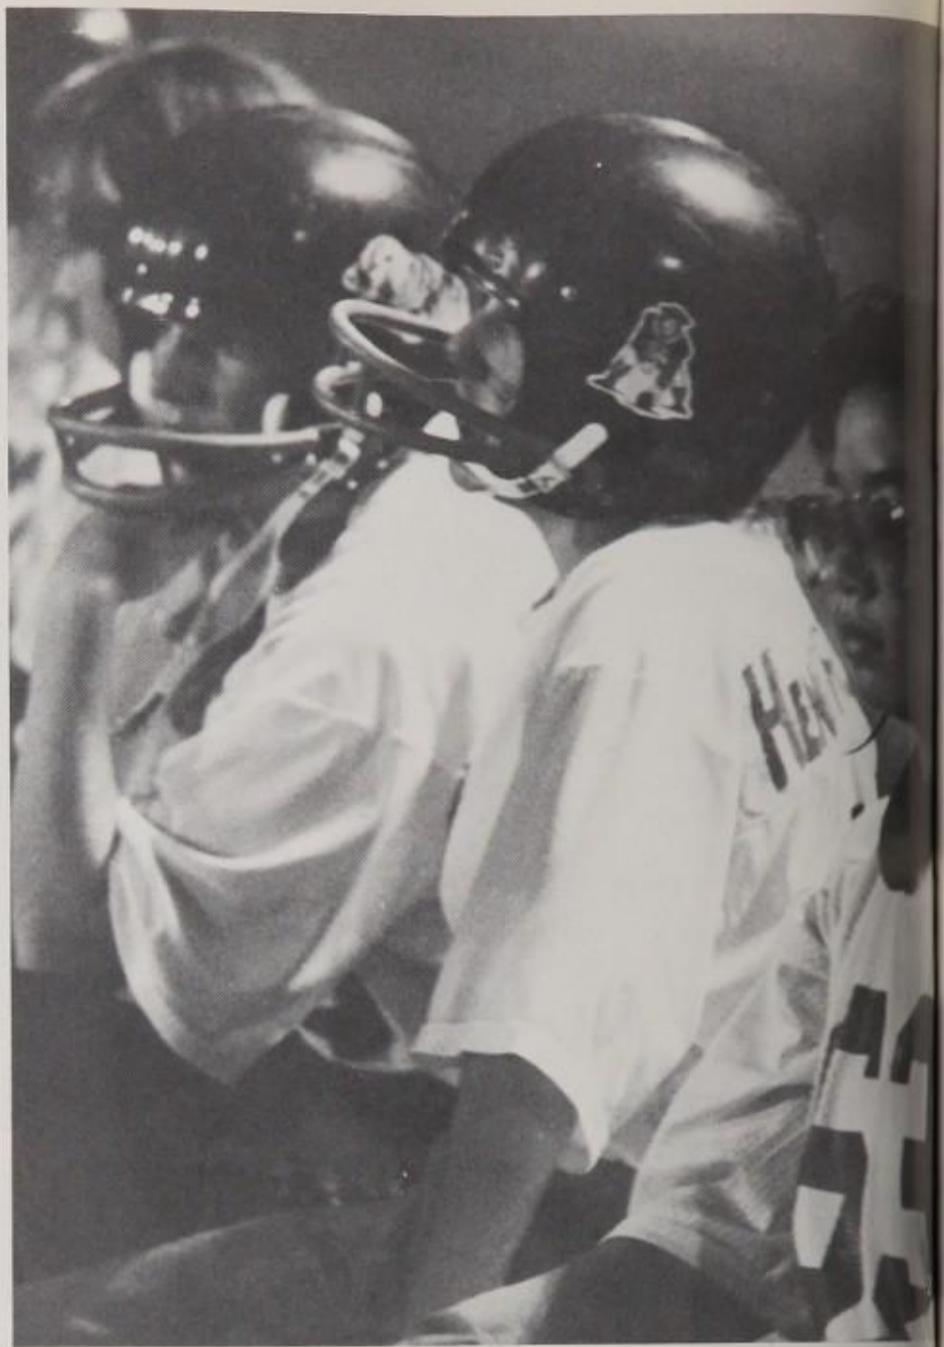

# POWDERPUFF

San Dieguito's Powder Puff football team practiced every night for a full week until game time. They were coached by San Dieguito's varsity football players.

The game started with a Torrey Pines touch down, but the Mustangs quickly retaliated. The Mustangs defensive motto was: "Defense, Defense, blood makes the grass grow!" A little brutal sounding, but they claim that the Torrey Pines girls were- "big and mean!" San Dieguito ended up losing the game 19-6. Ironically enough the referees were Torrey Pines Varsity Football Players. Most importantly, every girl had a great time, besides getting a few bumps and bruises!

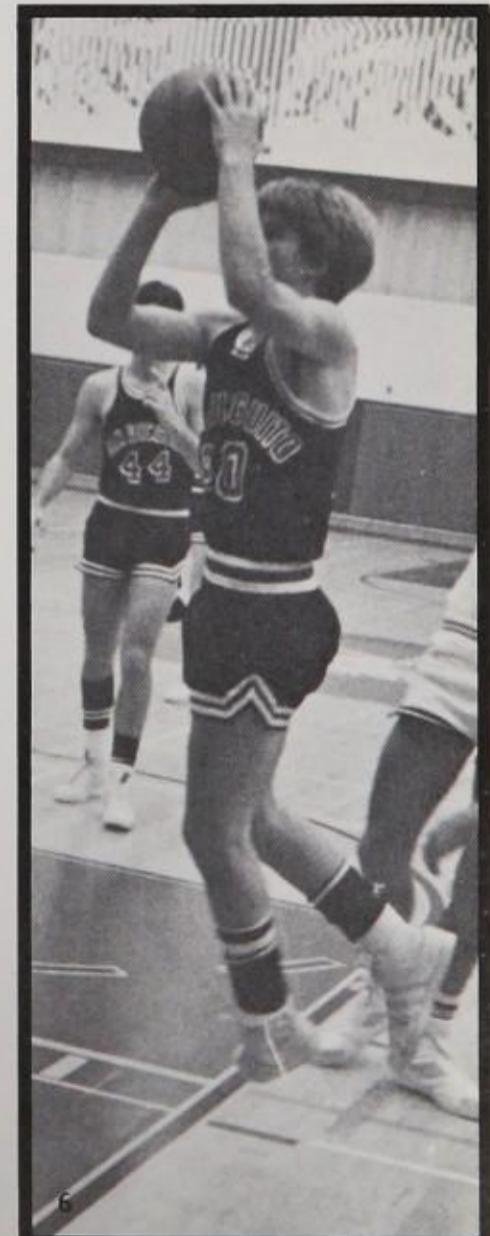

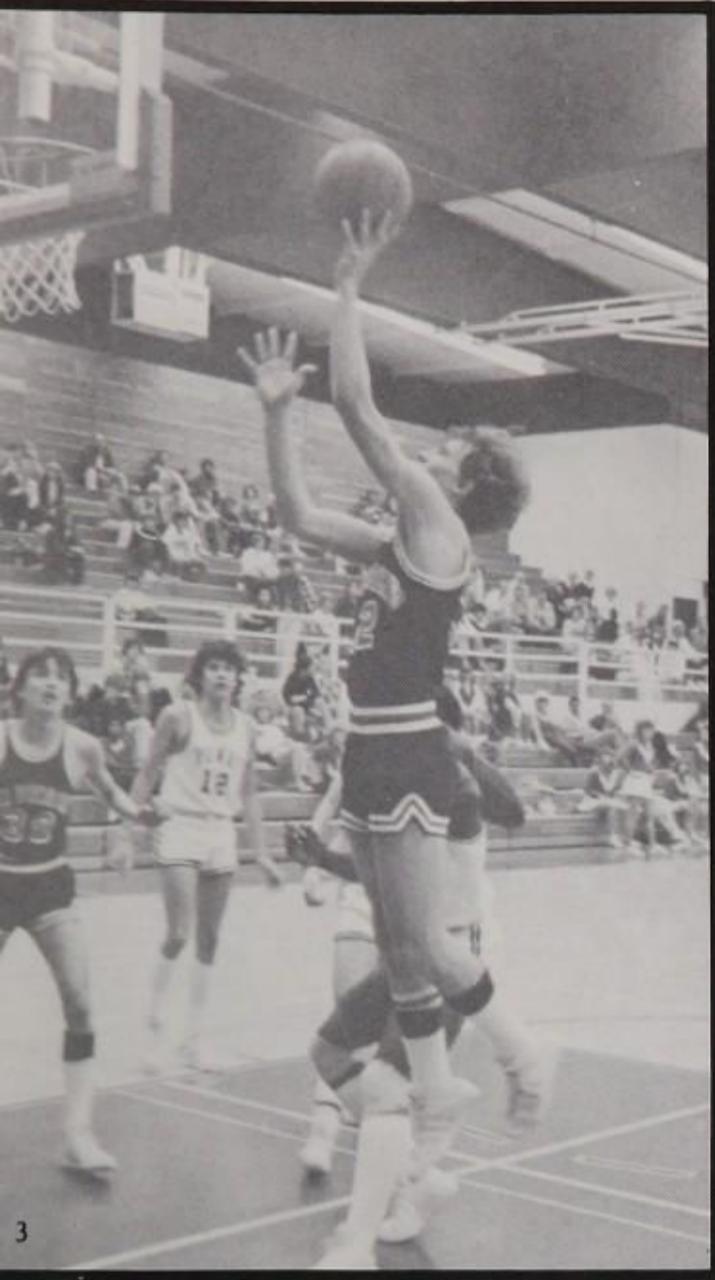

1. The "awesome" Mustangs. 2. Frustrated players at the side lines. 3. The team; Top row, Left to Right; Stephanie Kiefer, Kriss Willis, Cheryl Mozina, Ashley Westcott, Maria Campbell, Melanie Domres, Pam Riches, Julie Hawkes, Debbie Eshbach. Row standing, L. to R. Coach Joe Fazio, Martha Garcia, Luisa Monreal, Jenny Schwartz, Lori Swaim, Carol Wisnewski, Serena Gualteri, Debbie Lee, Debbie Dahley, Penny Prinze, Coaches: Bob Notman, and Jim Goveia. Row kneeling; L. to R. Coaches: Kevin Reece and Rudy Loera, Sheree Gordon, Susan Bernotas, Linda Wayman, Holly Hendrickson, Colleen Casinelli, Vickie Snyker, Susie Fleming, Shelley Effinger, Carol Muroya, and Coach Steve Hunnemuller. Bottom row; L. to R.; Head Coach Andy Berrier, Teri Crutchfield, Suzy Correll, Carol Kennedy, Joette Isibido, Sandy Tugwell, Jill Engler, and Trainer Joey Preciado. Front row: Lee Rotscheck and David West. 4. Ready . . . Set . . . Go . . ! 5. Serena Gualteri . . . the "AGONY" of football. 6. Mehrligan demonstrates his school spirit! "RAH!"

# VARSITY BASKETBALL

Varsity Basketball, coached by Bob Deagle, had a fulfilling season. With Keith Kartz injured for most of the season, Shane Lamb and Mark Zlomke filled in and did excellent jobs. Guards Lloyd Klaman, Sean Mullen and Chuck Badger all had outstanding seasons in individual and team performances. The yearbook staff would like to comment on the help and unlimited dedication of Joe Preciado, who provided his services as trainer, manager, and a great inspiration to the team and the school.

1. Standing, left to right: Chuck Badger, Lloyd Klaman, Joe Mason, Rob Hall, Shane Lamb, Mark Zlomke, Ed Ducharme, Jeff King, Kevin Reece, Amir Ben-Chamin, Sean Mullen, Darin Matheson. Kneeling: Joe Preciado, trainer, Bob Deagle, coach.
2. Lloyd Klaman brings the ball in for the Mustangs.
3. Ed Ducharme scores against Poway.
4. Battle under the basket!
5. Coach Deagle outlines his game plan.
6. Two more points for Lloyd.

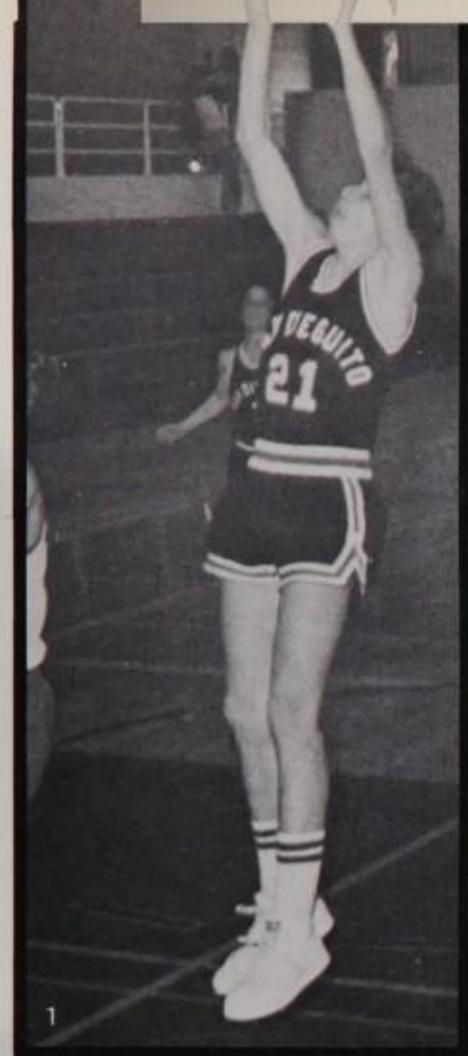

# J.V. BASKETBALL

This year's Junior Varsity Basketball team, coached by Dave LaBorde, demonstrated incredible stamina and sportsmanship. With outstanding games turned in by Chris Gessel and Wade Walswick, the team posted many victories. The most impressive aspect of the J.V. squad was the team unity and spirit that it displayed in every one of its games.

1. Chris Gessel puts up a shot over a Vista defensive man.
2. A Mustang player adds two more!!
3. Wade Walwick takes a shot while Steve Hernandez looks for a rebound.
4. Left to right: Keith Sasaki, Andy Mikschl, Randy Dull, Steve Hernandez, Keith Beveridge, Chris Gessel, Coach Dave LaBorde, Damon Kelkay, Chris Jaynes, Wade Walswick, Ron Elgart, Matt Mason, Mike Roebuck.

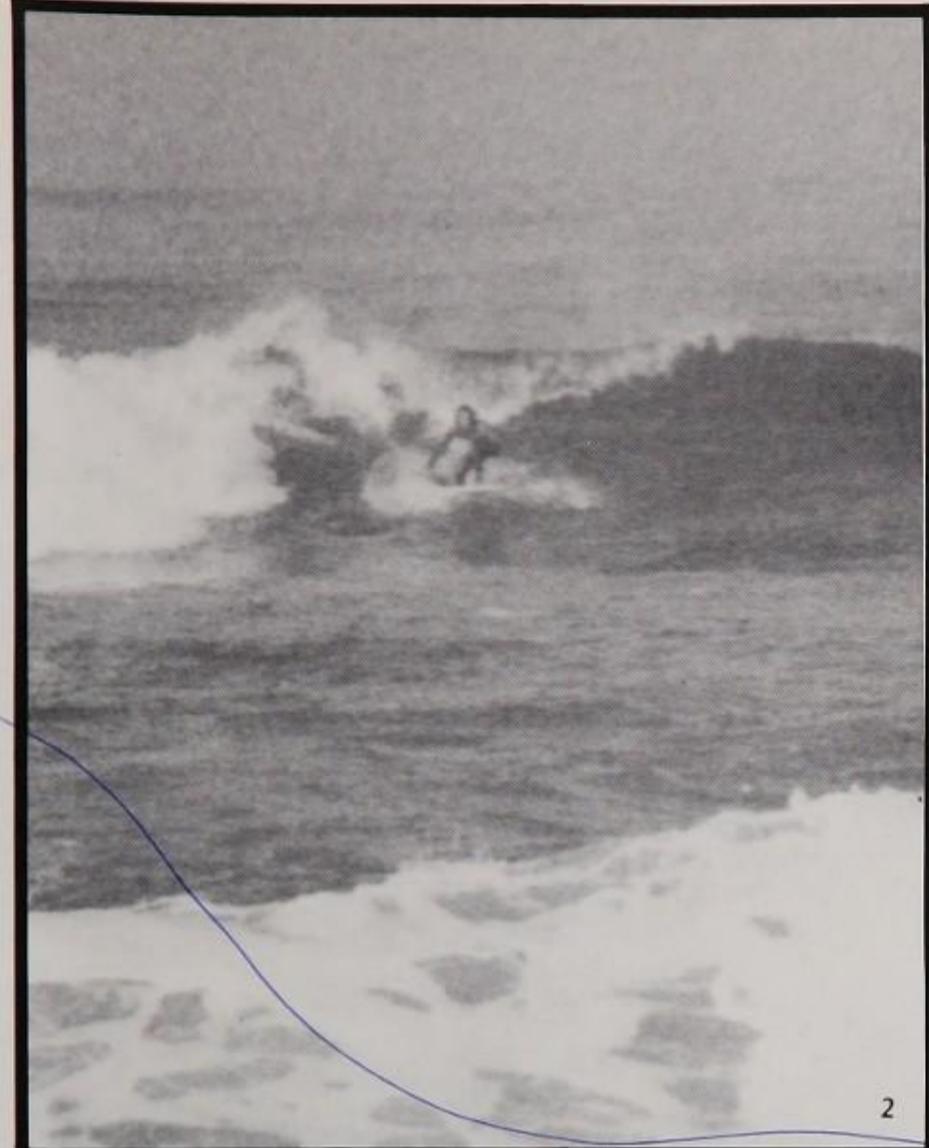

The 1980-81 San Dieguito Freshman Basketball team was a willfully determined and competitive squad. One of San Dieguito's few freshman sports, the team played well under the coaching of Mark Embree. The team is a largely "building" one, where the freshman athletes learn the basics of high school basketball. Much of the success of the junior varsity teams is owed to the experience and skill that the players gain from participating in freshman sports.

1. David Robinson shoots a bucket during freshman basketball action.
2. The team poses as Brian Story puts the ball up for the score.

No. 1 surfer Todd Martin, followed by no. 2 Richie Bowman had very successful seasons. They fought hard all year long; teams like San Marcos, Carlsbad and Torrey Pines are just a few of S.D.'s competition. Coach Lani Madrid said that with everyone trying their hardest, there was no way we could finish poorly. And they didn't finish poorly, in fact they finished very well. Congratulations on a successful season!

# VARSITY SOFTBALL

Great things were expected from the Varsity Softball team this year. They tried their very hardest to live up to that arduous task. Although they had a shaky start, they demonstrated definite winning qualities while enduring bad breaks throughout the season. Each player tried her best to perform, and with everyone playing so well, the team was a great success.

San Dieguito's Varsity Field Hockey team did well this year despite the loss of some of their finest players who graduated last year. This years Junior Varsity Field Hockey team was an example of determination, skill and most of all, enthusiasm. The team consisted of mostly players from last year, so there was certainly no lack of experienced leaders on the squad. Finely coached by Coach Gill, the field hockey team members were inspired by excellent performances by Linda Wayman, Kerry Dunigan and Sheree Gordon. Congratulations on a great season!

Coaches John Cannon and Dena Holman were extremely proud of the 1980-81 Varsity Soccer team. Earning a midseason mark of five wins no losses and one tie, and ranked 8th in the county, they were the team to beat in Palomar league play. Leading scorer, Darren Anderson, averaging a goal per game was followed by Paul Duke and Joe Quezada. The teams line-up consisted of 5 sophomores. The Defense, Bob Jones in goal, Andy Kaytes, Lawrence Lansdale, Ron and Bill Kritzer, held most teams to 1 or zero goals. Only one team scored more than 2 goals on the Mustangs this season. Good Luck next year, and congratulations for a very successful season!!

J.V. Soccer led by high scorer, Hymie Hernandez, fought hard all season. With a lot of Varsity prospects the skills level was very high, which is not often found at the Junior Varsity level of play. Eight freshman made up the starting line-up for Coach Armstrong's squad. Good luck next year!!

# PRESIDENTS DAY WEEKEND

This year, due to the birthdays of Presidents Lincoln and Washington, we were rewarded with a much needed five-day weekend. Students took this time out from their studies very seriously and were involved in a myriad of activities. Some were content to find themselves whiling away the hours at home; still others journeyed to such exotic resorts as San Felipe, Mexico. Regardless of the consequences, most students were elated to have the time off, and equally unhappy to get back to school.

# OUR NEW WAVE IN THE 80'S

**1981**

Even though Mr. Cunningham, Agriculture Teacher, didn't graduate during the 60's he was teaching here at San Dieguito. Mr. Cunningham was a graduate of S.D. in the class of 1939 (2 years after this campus was opened). Mr. Cunningham has seen many of the changes that have taken place on campus and to the students.

Cathy Hicks, however, was a student during the mid-60's. Ms. Hicks, now a P.E. Instructor, was one of the typical students. Ms. Hicks was always right where the action was, she was a cheerleader, Homecoming Queen and voted most popular by her Senior class.

**1981**

**1938**

**1967**

Many drastic changes have taken place on our campus during the last 20 years. Many new buildings have been erected and the old gymnasium has been torn down to make room for the new gym that is so familiar to students now. But some things will never change, and this holds true for the 'hot spot' of social activity, Center Court. Center Court was just as popular back in the sixties as it is now and probably always will be.

**1962**

**1981**

A lot of the styles that were very popular in the 60's have come back to haunt the 80's. The unusual dress habits of many students have shown again in the new wave fashions that have appeared on the San Dieguito campus.

**1964**

**1964**

**1981**

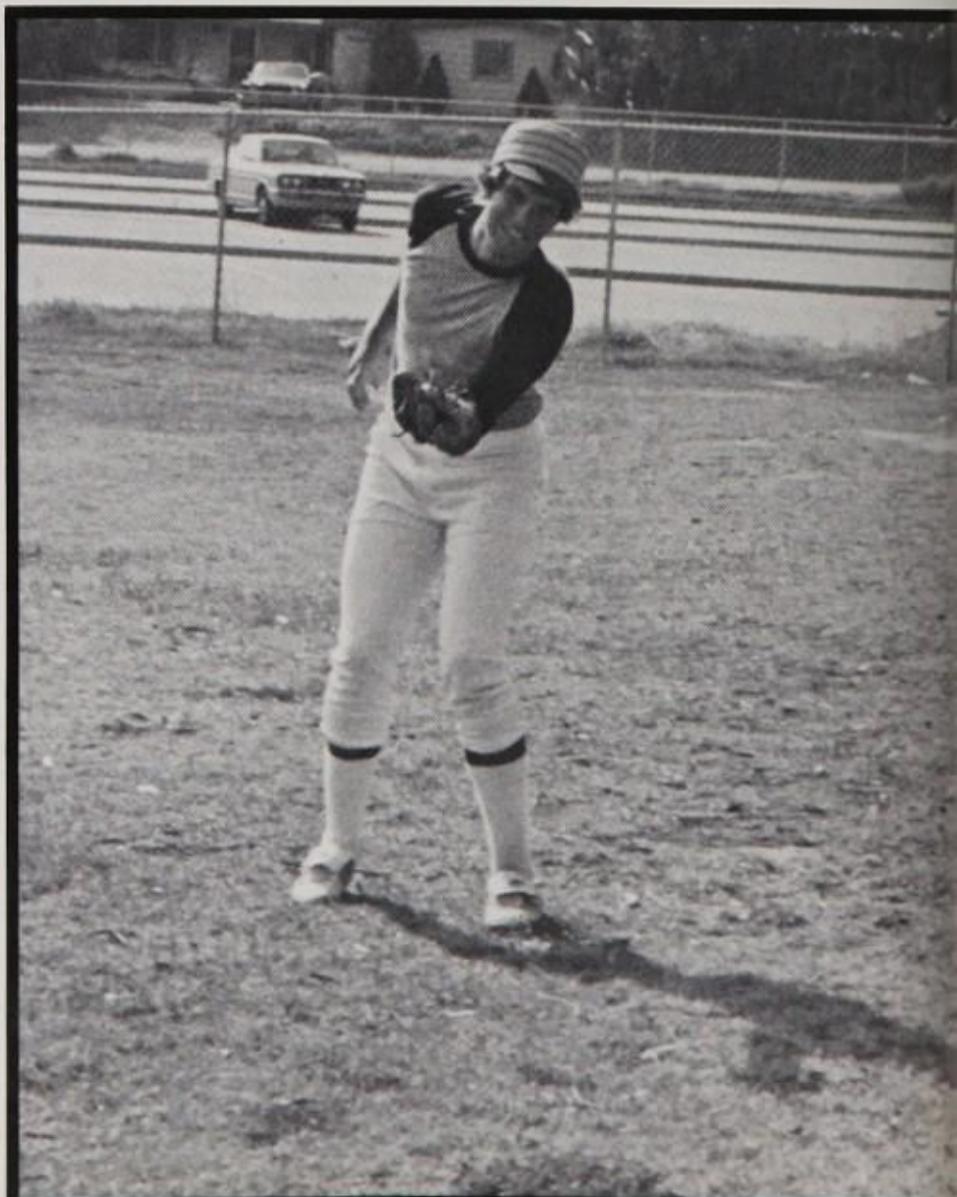

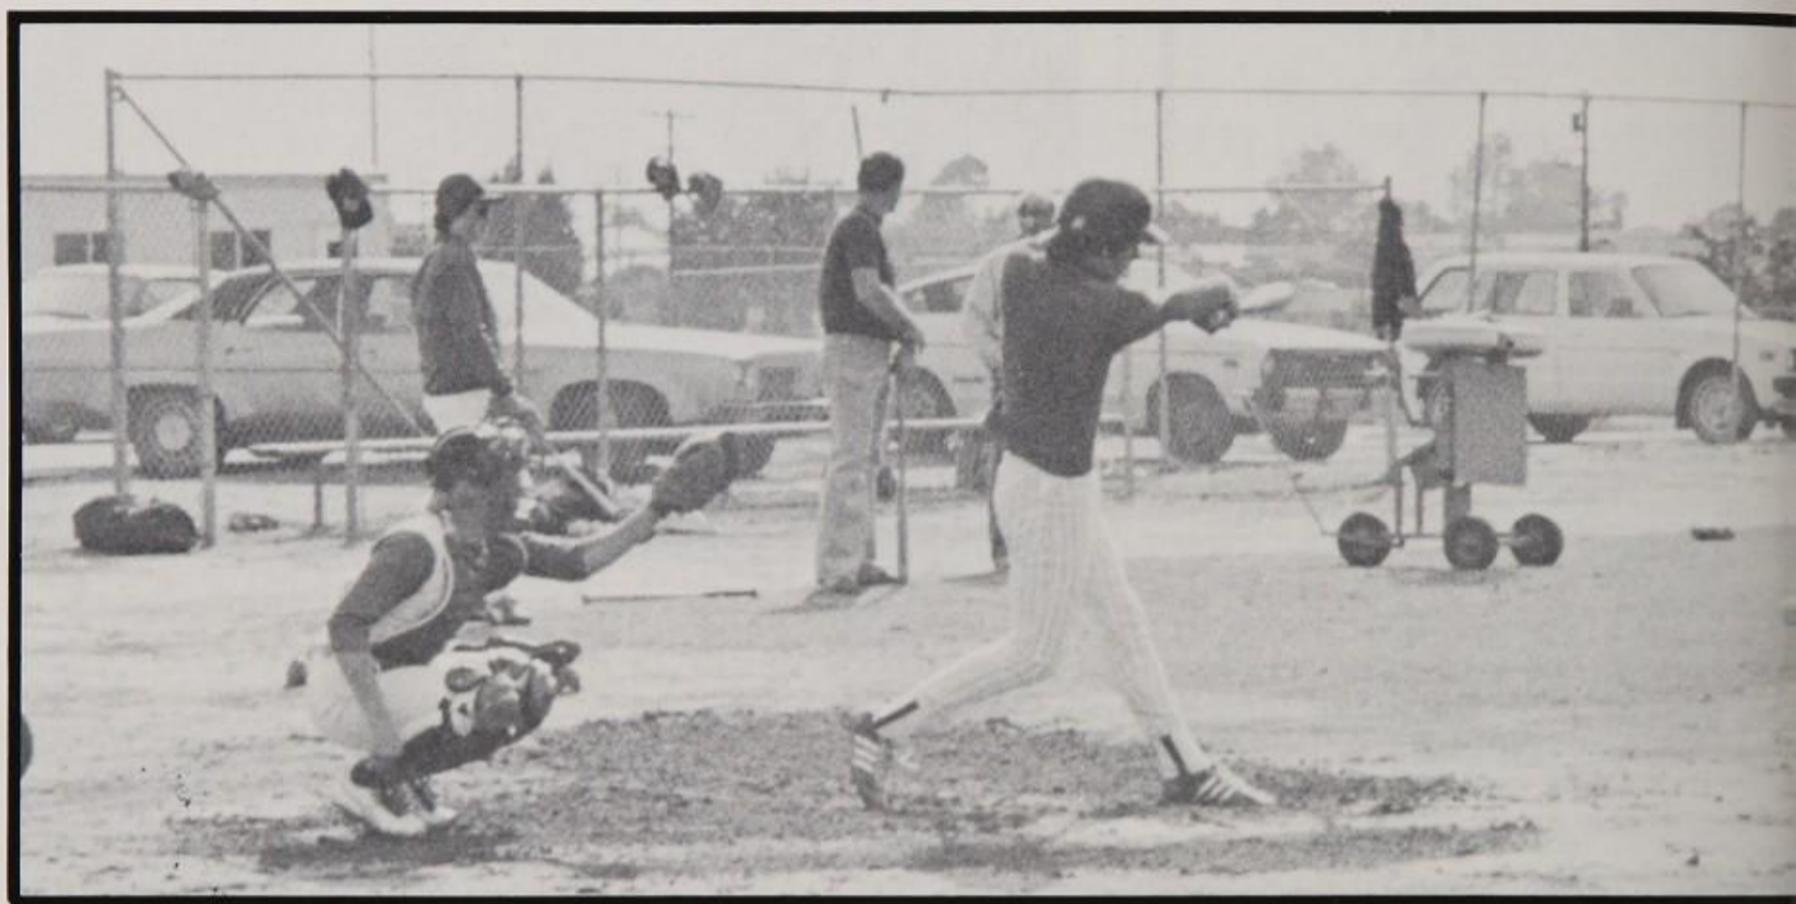

There have always been people "hanging out" in the parking lots of any school and San Dieguito is no different. The change here has been that in the 60's the students and faculty members had to share the same parking lot. Since then the students have acquired their own parking lot, the back parking lot. Students still "hang out," listening to their radios or just kicking back and socializing, probably the same as did those in the 1960's.

# VARSITY BASEBALL

Coach Gary Ross was optimistic of his teams chances for a winning season. With returning lettermen Sean Mullen and Marcus Pignotti behind the plate and on the mound, the team had a successful season. The team was composed of many fine athletes with various talents: both power and clutch hitting, clever baserunning, solid defense and consistent pitching. All these qualities combined to make this year's Varsity baseball team one to be remembered.

1. Tim Wilde smashes a sizzler down the third base line.
2. A free agent from the Pirates flashes his million-dollar smile.

# J.V. BASEBALL

J.V. Baseball finished well on the year, Rick Christiansen and Joe Bromstad led the team this year in hitting. First string pitcher Will Clarke was a strong leader for the defense. The team displayed spirit and sportsmanship. The Varsity can account for the J.V. as a building team. Varsity coach Gary Ross mentioned many of the players as prospects for next year's Varsity.

1. Front row, left to right: Wes Oettinger, Keith Sasaki, Rick Ritchie, Jeff Brown, Mike Laforest, Mike Roebuck, Steve Papayoanou. Back row: Chris Jaynes, Damon Brown, Brian McCormick, Rick Christianson, Joe Bromstad, Mike Huff, Joe Quezada, Coach John Wenger.

One of the few freshman sports at San Dieguito, the freshman baseball team was not to be ignored. Though most of the attention is focused on the Varsity sports, the real learning happens on the freshman level. The team got it's first taste of high school baseball. The experience which they gained this year will prove priceless in upcoming years.

# VARSITY

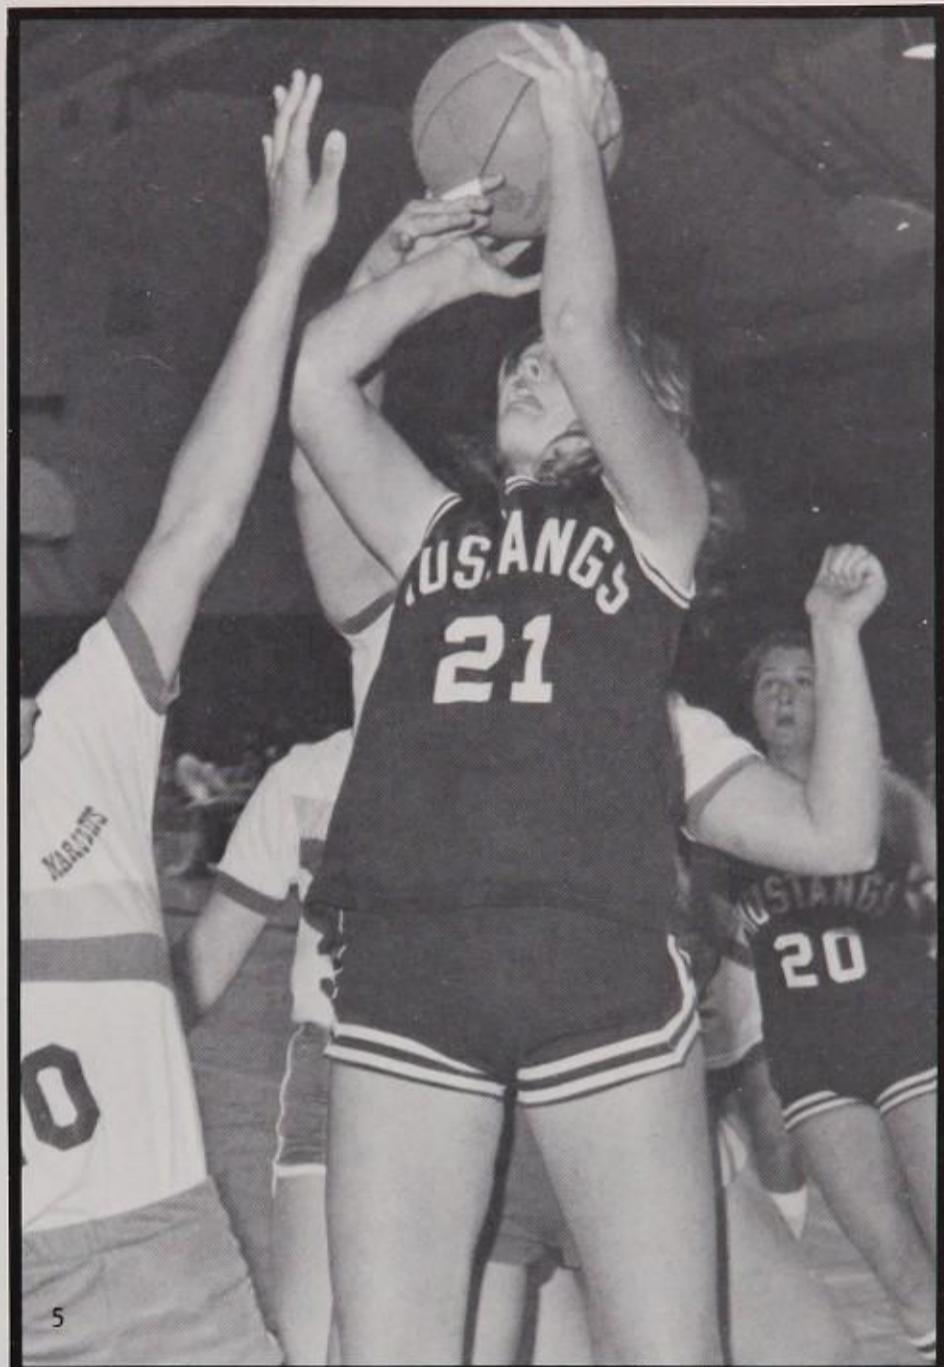

The 1981 Varsity Girls Basketball team was a combination of experience and spirit. With varsity returnees Kim Klein at forward and guard Katrina Weston leading the attack, reinforced by fine performances by newcomers Maria Campbell and Melanie Domres started the season strongly.

Coach Dave LaBorde was especially proud of this year's team, for they demonstrated the qualities he considered the most important in basketball—execution, sportsmanship and hustle! Very rarely does one find a coach so involved and so caring about his or her team. The girls were very fortunate to have had Coach LaBorde as an instructor this year. Their fine record speaks for itself.

# GIRLS J.V. BASKETBALL

Mark Embree's second year as coach of the Junior Varsity basketball team was a radically different experience for him as well as the girls on the team. Through last year's season both coach Embree and the returning girls gained knowledge of the game and a feeling of unity as the team members were well acquainted with each other and their style of play. There existed a team spirit which carried them through their exciting season.

The Golf team started off the year with a swing! The better members of the team began the season with quick tournament victories while gaining experience for the latter half of the season. Shane Hadley, number 1 golfer, set a good example for the rest of the team. Coach Armstrong remarked on the improvement of the returnees from last year. While golf is an individual sport, the team itself did well as a whole, with excellent scores turned in by Hadley, Don Woofard and Dave Wilkenson. Because of the outstanding individual achievements by these golfers, this years golf team was highly acclaimed.

# VARSITY BOYS TENNIS

The San Dieguito Varsity boy's tennis team, who finished well on the year, had some outstanding performances by Pete Smith and Jon Kim. But coaches Arkin and Gil expressed enthusiasm and spirit for the whole team at every match. Each boy played with a desire to win and a non-stop attitude which helped the team greatly. This, complimented by the unity of the team, made it a successful season.

Game, set and match go to San Dieguito!! This was a familiar exclamation during the J.V. tennis season. The team, coached by John Cannon, had a good season while, more importantly, learning the finer points of the game. They even managed to enjoy themselves as they taxed their abilities to their utmost to win every game. It's not surprising that, with all the players trying so hard, the team as a whole had a satisfying season.

# GYMNASICS

Once again, San Dieguito has been fortunate enough to have a splendid gymnastics team. Coached by Candy McCarthy, the girls demonstrated stamina as well as flawless precision in their graceful routines. They accomplished all this excellence only through dedication and long hours of tedious practice. The hard work certainly paid off in full, with consummate routines performed by Gretchen DeWesse and Kerry Dunigan. Along with hearty support provided by the rest of the gymnasts, these girls gave us another awesome season.

1. Back row: Chris Miller, Kriston Peterson, Cathy Wise, Rene Leo, Andrea Hester, Colleen Boga. 2nd row: Coach Barbara Medley, Kindy Pfremmer, Kelly Klien, Lisa Paul, Kelly Swinner. Front row: Coach McCarthy, Julie Resch, Gretchen DeWeese, Kerry Dunigan, Karen McKenzie, Aleesha Cook, Joan Bendrick, Coach Pam Ludwig.

3. Poise and grace emanate from Colleen Boga.
4. Julie Resch performs an excellent Aerial.
5. Kindy Pfremmer goes through her flawless routine.

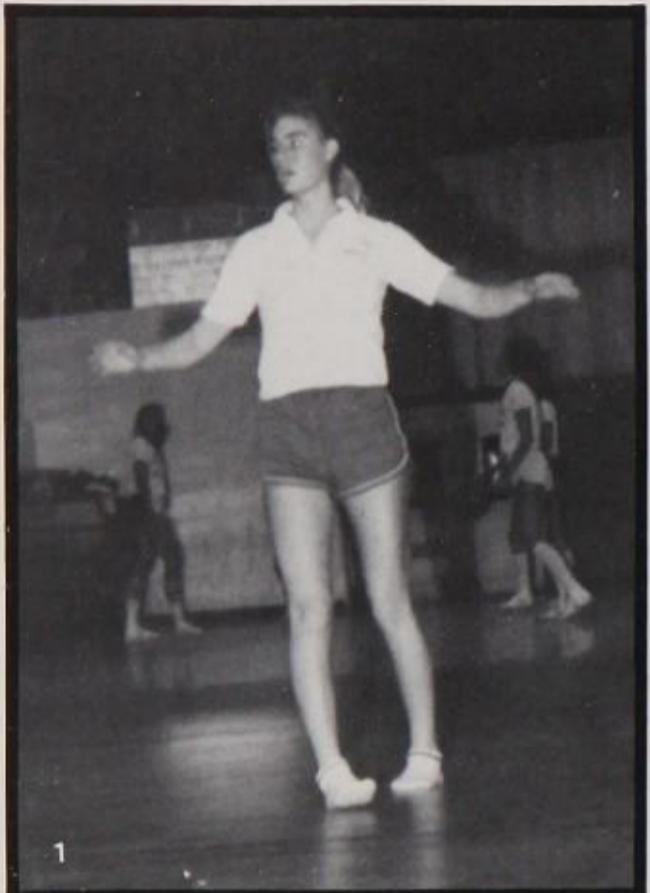

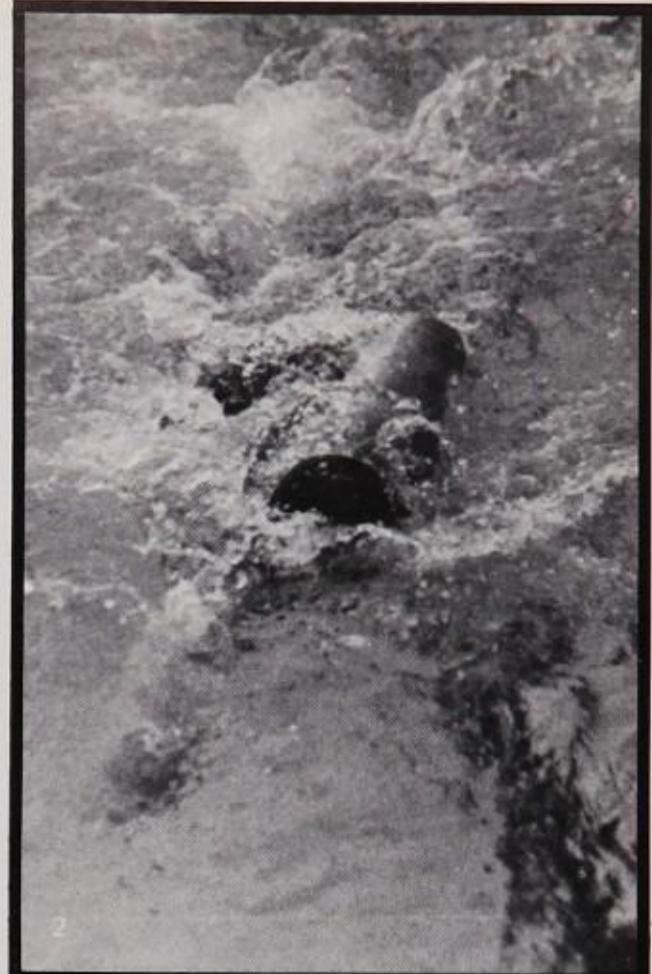

# GYMNASTICS

Not to be overlooked is this year's junior varsity gymnastics team. The J.V. team did much the same as the varsity squad, mixing individual effort and concentration with an abundance of team spirit. Although the competition was tough, this team was definitely up to the task, putting together a winning season.

1. A beautiful young gymnast goes into the next move in her routine.
2. Kerry Dunigan prepares to begin her performance.
3. Karen McKenzie pauses for a moment before continuing her strenuous workout.

With returning Varsity letterman and AAU standout, Steve Ferguson to lead the team, the 1981 swim team finished well overall. New records were set and broken, with each swimmer giving his all! They were coached again this year by Eddie Yasana, who commented on the improvement of Tim Ponder, Bob Hall, and Jim Johnson. Although the team suffered many bad breaks, mostly due to their lack of a permanent practice pool, Coach Yasana managed to produce a winning team that was full of competitive spirit!

# TRACK 1981

One of the most amusing sights during the school year is the first few weeks of track practice. Watching the supposedly limber athletes groan and cry out in anguish while they go through their stretching routine is not to be missed in late February. When the workout is finally over, the trackies are so "bushed" that one would not believe they were the loud, rowdy group that had originally taken the field.

But practice is what stipulates whether a track team is good or great, this year's team the latter. Throughout every division of the team-sprinters, distance runners, pole vaulters, high, long and triple jumpers and the shot and discus men-there was a mighty feeling of team spirit. In addition to the unity felt by the team, there was an abundance of outstanding individuals in all the different squads. Kevin Reece once again had a strong season, leading the sprinters to many victories. David Winward, junior Mike Gootgeld and sophomore C.J. were also key members of the team. Not surprisingly, C.I.F. champion Julie Hawkes was the number one girl sprinter, heading a lineup of girls including Jenny Schwartz, Lori Swaim and Sheree Gordon. The distance team was largely comprised of cross country runners, among them ace mile and two-miler John St.

Marie St. Marie was responsible for many of the distance teams' wins. The main girl runners were Valarie Schwan and Maureen Compas, each trying to outdo the other. The jumping team was composed of both veterans and newcomers. Jill Engler displayed her fine talents at the high jump and long jump, attempting to break her own records she set last year. Chris Gessel, another returning varsity trackie, did well in jumping along with being the top hurdler.

Led by Todd Threw, this year's pole-vaulting squad managed to score valuable points at the meet, as well as setting a few records while accomplishing it. With newcomers Guy Monzeglio and Brett Beamon, the team gained invaluable experience which will be put to use in the years to come. There are good prospects for next year.

Keith Kartz was the one most outstanding member of the shot putters and discus throwers team. Kartz did equally well in both events, proving his winning power. Clay Jarvis and Steve Deuble formed the backbone of the awesome weight team. San Dieguito was once again fortunate enough to have Coach Mike Davis as head coach, along with coaches Muhlenthaler and Crom. Without his guidance and support the track team would have been nothing. Thanks for another great team, Coach Davis!

# HOOFPINT STAFF

Starting in June of 1980 and working at a non-stop pace, the team of students commonly known as the Hoofprint staff recorded this year's memorabilia and good times in San Dieguito's forty-fifth yearbook. Writing copy and taking photographs to meet the deadlines, although sometimes a struggle, was definitely a success. Looking back, the staff will laugh at all the mistakes and problems, knowing the book is finally complete.

Reporting news is definitely a challenging job. The staff of the Mustang, with the leadership of David La Borde and Editor Carla Levenson, has been able to present to the students a variety of news, features, and editorial articles. A staff of newcomers has not handicapped the performance and production of this established school tradition, but rather brought in new ideas and opinions.

## THE MUSTANG

Just as the moth is attracted to a porch light, San Dieguito's young actors and actresses are attracted to the spotlight. Most of the actors and actresses are thespians and provide us with outstanding performances. Clayton Ligget has had a long history of working with the stage, and his passion for his work creates a certain captivating quality to all of his productions.

In the fall of 1980, the Drama Department put on their first play of the season, "The World of Carl Sandburg." The play turned out to be a huge success. Their second production, "Butterflies Are Free" produced in March 1981 was as popular as the first. We can thank Clayton Ligget and his multi-talented cast for their great contribution this year to San Dieguito's cultural experience.

# ASB COUNCIL

The Associated Student Body of San Dieguito is responsible for most of the extra-curricular activities. From planning dances and assemblies to being the representing voice of the student body, the council is the choice of the school. Along with the indispensable Rita Thomas there was a new director this year, Nancy Giberson who made this year's council diligent and achieving. The A.S.B. of 1981 is definitely one of the finest ever.

The Student Relations Committee with Ms. Donna Heath as advisor is partly responsible for the tranquility of this campus. It's the grievance committee for problems dealing with cliques, racism, and conflicts between students and teachers. It is certainly a big plus on the San Dieguito Campus. Started in 1977 with the help of the ever-loved Leonard Morris, it is a growing and needed facility.

# COMPUTER CLUB

From programming scientific equations to playing games, the members of the San Dieguito Computer Club always seem to be busy. These people have found a new friend, the computer. The computer is coming of age and the members are preparing for the future. Learning how to program, and basic everyday use of this device, help the members of this club prepare for college.

# BIKE CLUB

"Tecate to Ensenda" or "Cardiff to Encinitas" no ride is too great for the bikers at San Dieguito. A monthly ride through the countryside keeps these bikers in shape and is only one of the aspects of this club. 20-25 miles is the normal length of a trip but some of these bikers are up to any type of ride.

Left to Right. Chris Dodson, Paul Philmore, Mr. Kerstens (advisor), Dana Morgan, Mike Farr, Shawn Gillis, Charles Kerstens, Chris Albee, Mrs. Swanson (advisor).

# STAGE BAND

For San Dieguito students the Stage Band is not as familiar as the Marching Band. This band does not travel to various school activities as much as the Marching Band, although they do put on occasional concerts. Hopefully we will hear more from their instruments in the future.

**Names:** Carlos Arciniega, Daniel Arciniega, Sondee Beveridge, William Clarke, David Deaderick, David Desmarias, David Holt, Scott Parrish, Steve Smith, and Bruce Yelverton.

# ORCHESTRA

The 20 member orchestra is a new addition to the San Dieguito music department this year. The orchestra plays a wide variety of music ranging from classical to jazz. The orchestra will be playing in numerous concerts and festivals. We hope that this new group will continue its program in the future.

**Names:** Richard Beach, Tracy Donnelly, Richard Gresham, Laura Kim, Anthony Lohning, Julie Mayo, Scott Parrish, Robert Phillips, Steven Pinhero, Philip Spitz, Brenda Tom, and Tom Tucker.

# TALL FLAG CORPS

This group performed with the band during half time shows at the home football games. The tall flag corps traveled with the band to their performances. We value the work these girls have done to add to our halftimes.

**Left to Right: Debbie Francis, Lori Stafford, Pam Grace Zulowski, Rhonda Hulit, Tracy Freedman, Grace Pirlot, and Brenda Dodd.**

# RIFLE CORPS

Last year this organization was a new addition to the Marching Band. This year they are back with us again. They bring us enthusiasm during halftime shows along with the Flag Corps and the Dance Precision Team.

**Left to Right: Martha Hopkins and Annette Iori.**

# DANCE PRECISION

This years Dance Precision travelled with the band and Flag Corps to various places in California winning numerous awards. They did their crisp routines during halftime shows at the games. This year there were not only some of the more experienced girls from the past but also new talent; so the coming years should be promising.

## THE SILHOUETTE

# THE MUSTANG MARCHING BAND

The 65 member band participated at all the home football and basketball games. Cheering them with our Alma Mater, band music, and some new music. The band represented the body at many parades and appearances. They appeared in Escondido, West Covina, Chafee, San Diego State, and Walnut. The great honor is being invited to the Mardi Gras in New Orleans this year. The San Dieguito Marching Band has been one out of two high schools in the state to be invited! And with some 34 freshmen in the band and an even number of juniors and sophomores, the forthcoming years seem hopeful for the San Dieguito Band.

Lisa,  
see my picture?  
It's fuzzy. Hey, we  
had fun this year,  
didn't we. Next year will  
be just as good. Hope  
to see you this summer,  
and hope you have a  
good one.  
Glad to meet you

# SPEECH TEAM

The National Forensic League has its own branch at San Dieguito namely, the award winning San Dieguito Speech Team. All the participants of the team supply their own material and perform it at various occasions and competitions for recognition and awards. The team has consistently represented San Dieguito in a favorable light bringing home many trophies and awards of recognition for San Dieguito and themselves.

# THESPIANS

Perhaps one of the more dignified clubs on campus is San Dieguito's own International Troupe of Thespians. This group consists of the majority of the advanced actors at San Dieguito and is in part responsible for the productions that appear in our own Roundabout Theater. All members of this troupe are well-known because of their strange initiation ritual, the wearing of the yellow and blue beanies. Being a member of the Thespians is one of the highest honors that a high school actor or actress can obtain.

# SKI CLUB

Racing down the man-made slopes over the winter vacation was the occupation of over 150 students, teachers, all participating in San Dieguito's Ski Club's annual trip to Utah. Park City, Park City West, Alta, and Snowbird were all the agenda for this popular club. The club provides members with trips at special rates through Sponsorship of the Boy's Clubs of America.

The California Scholastic Federation is made up of the high grade achievers of San Dieguito High School. Growing larger every year; this year with fifty members, it offers its members scholarships and a high standing for college. The club helps raise money to send its most prominent members off to college with a financial edge.

# DECA PERIOD ONE

DECA is the vocational club at San Dieguito and has helped a lot of students learn about business through career workshops they attend, learning in marketing, leadership and business practice in their classrooms. These two groups are also in charge of running the student store located near the amphitheater. Where a supply of various foods can be obtained after school.

Left to Right. Chuck Wilson, Todd Gray, Chris Miller, Jim Albano, Sheryl Stevens, Don Woodard, Sami Rizk, Ms. Eck, Terry Boyd, Charlene Broussard, Hope May, Christi Schimlz, Annette Iorio, Donna Williamson, Pascual Barajos, Rob Piancone.

# DECA PERIOD TWO

# WEIGHT LIFTING CLUB

Weight and football training, a relatively new club at San Dieguito, consists of members of the sports teams. One of the goals that the group set, was to completely re-outfit the old weight-room — a goal they managed to reach with much thanks from all the people that use the body-building facility.

# MODERN DANCE

Creativity and uniqueness is perhaps what makes the dance club at San Dieguito a special place for development in the field of dance. The people in the club choreograph their own routines and dances and SDHS usually gets a sample of their creativity at its annual talent show. Most of the members are enrolled in the second period dance class where they learn new steps and movements to mix with their own individuality and create a sequence of movements that will become a dance.

# RACQUETBALL

1. This club is perhaps the most highly competitive team at San Dieguito. From their strenuous workouts at "The Other Racket," to the rivalry between teams, they are most reknown for smelly gym lockers.

Left to Right, Top row: Howard Cagan, An Nguyen, Robert Sanchez, Steve Compos. Middle row: Jeff Rhine, Jeff Sweeny, Russell Sanchez. Bottom row: Kris Enlow, Jody Riley, Jennifer Cornell.

# AUDIO VISUAL

2. This creative group of young people captured this year's news events on film, ranging from simple question and answer sessions between students and teachers to the mighty nominating convention. Without this group, this year's events would have went without being recorded for posterity.

2. A masterpiece is created.
3. Steve Crique takes a break long enough to pose for a shot.
4. Rico Pinamonti masters the style of watercolor.
5. Rindy Zimmerman and friend strike a classic pose.

# INDUSTRIAL EDUCATION

4

There is something for everyone in the Industrial Education courses offered at San Dieguito. Photography, Power Mechanics, Wood, Metal, and Auto shops are offered to prepare students for jobs upon Graduation.

Students who like to work with their hands are encouraged to take Industrial Ed courses. Most often they find them worthwhile and enjoyable.

1. This isn't quite smooth enough!
2. Just a little snip here should fix it.
3. Anthony makes some salt and pepper shakers.
4. Pam Riches shows us how to work a sander.

# SCIENCE

You can study rocks, whales, time-space relationships, genetics or even how to make water. It all depends on what science course you take at San Dieguito.

Almost all students get a wide variety of science knowledge by the time they graduate. They know what to mix and what not to mix!

1. Chemistry class hard at work.
2. Excitement before a final.
3. And that fish was about so big ...

A story of  
natural love.

Hi hisa  
It was  
really  
great  
seeing  
you this  
year. I'm  
really  
glad we  
got to  
know  
each  
other  
this year.  
You're got  
a great  
personality  
and I  
hope we  
have some  
classes  
together  
next  
year.  
Good  
luck in  
your  
writing.  
You're got  
a great  
talent.  
Well,  
so long  
for now.  
If you  
have any  
more  
dreams  
be sure  
to tell  
me!  
Take  
care.

Love  
your friend
